FLORIDA STATE SWIMMING/DIVING VS. MIAMI

October 7, 1995

TALLAHASSEE, Fla. -- The Florida State swimming and diving teams started off their season today against the University of Miami at the Stults Aquatic Center, with the FSU men winning 135-108, while the Miami women came out on top with 129-114. The Seminoles won despite only winning five out of 13 events including, while the Lady Seminoles also won five events.

The FSU men's team was led by a pair of freshmen. Brendon Dedekind who won the 50 free in 20.45 and the 100 free in 45.62 and Stephen Perry the winner of the 200 fly with 1:48.58.

FSU head coach Don Gibb was pleased with the performance of the team. "I thought they gave a real good effort out there, and our freshman swam very good today," said Gibb.

Winning for the FSU women's team were junior Lindy Dorminy in the 50 free with 24.95, freshman Sharri Fowler in the 200 fly with 2:06.20, freshman Tenelle Ramer in the 100 free with 53.13, and sophomore Jodi Krieg in the 200 back with 2:07.23.

"For this time of the season it was not a bad start," said Gibb. "We were able to see some of our strengths and weakness. Diving was an obvious strength for Miami but I thought our divers competed well."
