QUOTING BAPTISTE: "I had the lead coming off the turn and I knew I had it then. I was looking for Robinson (Albert) over my shoulder as I felt I had to beat him. It is an advantage to run on the outside (he ran in lane 6). It is hard running the curve inside on this track."

NOTES: Oklahoma's Don Bly took the early lead, but was overtaken after about 70 meters by Florida's Leroy Reid before Baptiste easily ran down the field with about 10 meters remaining.

QUOTING MCKAY: "This is only the third quarter I've run outdoors this year. I've
had a headache ever since I got here. I don't feel good. I think my best races
are still ahead of me. It takes determination to run the 400, the last 110 is
tough. I decided to go out and run with the pack and determine the race myself.
I would have liked to set a meet record today. I run for a record every time
out."

NOTES: Franks and Forde held the lead down the backstretch, but Uti started to
accelerate on the curve. Heading into the drive to the wire, McKay pulled even
with the leaders and drew away to couple the outdoor title with the indoor
crown he won last winter as a freshman. Nix finished in the top nine in the
nation for the fourth straight year.

TEAM SCORING AFTER THIS EVENT: Arkansas 33, Fresno State 25, Arizona 22, Oregon 21, USC 20, San Jose State 19, Georgia 17, George Mason 15, SMU 15, Arizona State 15, Southern Illinois 12, Baylor 12, Eastern Michigan 12.

QUOTING CRUZ: "I thought the only thing I had to do was to stay behind Wuyke and let him set the pace, but just after the 400 I noticed he slowed down a little bit so I had to take the lead. I had a little trouble the last 300 because the wind was too strong. I thought about running under 45, but I think this time is OK now."

NOTES: Cruz's time is a season best, .02 faster than his winning time at the Pac-10 Championships. Wuyke took the early lead, but Cruz trailed the pace and took the lead with 300 meters remaining. Joaquim then held off Earl Jones in the stretch. Cruz's margin of victory was not as large as the ease with which he won the 1983 crown over William Wuyke.

QUOTING CRUZ: "It wasn't difficult to run a good time. I needed to run in front. I tried to kill the rest of the runners off in the first lap. If I could do that, I didn't think I would have much trouble after that. I had to go out fast on the first lap to kill them. I didn't feel pain in the first lap. I did feel pain in the last 100. I was pushing it hard then."

Cruz's Splits: 1-:57.6 (1), 2-1:57.8 (1), Bell-2:41.5 (1), 3-2:57.2 (1)

NOTES: Cruz completes the 800/1,500 double, becoming the first man to accomplish the feat since Don Paige of Villanova in 1979. Cruz has lost only two races within the confines of his two collegiate seasons. He was beaten in a 1,500 by Washington State's Peter Koech in a 1983 dual meet and also to Steve Scott in the UCLA Pepsi mile earlier this year. Cruz now holds all three Oregon records at the distances he has run: 800 (1:44.04), mile (3:53.00) and 1,500. Cruz led all the way, O'Sullivan moved into contention with 400 meters left and Myers came from back in the pack on the backstretch of the final lap.

TEAM SCORING AFTER THIS EVENT: Arkansas 44, Oregon 38, Arizona 37, Oklahoma 27,

NOTES: Gerber is only the third native American to win the steeplechase in the last 10 years. The others were Randy Jackson of Wisconsin in 1980 and Brian Diemer of Michigan last year. Gerber's time makes him the second all-time American performer (behind five races by Henry Marsh) and third all-time collegian (behind Washington State's Henry Rono and Richard Tuwei). It was the fastest time ever by an American collegian. Gerber worked his way through the field with two laps to go. Korir was the only runner to be able to go with Gerber, but couldn't catch him in the stretch.

QUOTING GERBER: "Julius Korir is just awesome at the end of the race. If I had stayed back and tried to run with him in the last 200, he would have blown my doors off. So, with a half mile to go, I decided to make him run a little harder. If he was going to beat me, he was going to be in a race."

QUOTING HARRIS: "It really doesn't my mind about football, I feel like football is my No. 1 priority, but I was very happy with the way things went today and it feels good to be a national champion as a freshman."

NOTE: Harris breaks the World Junior record for the fourth time this year and dips below 49 seconds for the first time. The freshman completed an unbeaten freshman season with the victory. Iowa State sweeps both intermediate hurdle titles. Hawkins took the lead running down the backstretch, but was chopping at the eighth hurdle and Harris took the lead just after the ninth barrier.

QUOTING JACOBY: "I felt tired from Wednesday night. I hit 7-5 1/4 perfect today. I thought it would take 7-6 1/4 to win. I have jumped against good jumpers this year and it has paid off. I'm not going to jump again until the Trials. I'm going to do some lifting as it will take strength to win. I'm going to get mentally and physically ready and I think my chances are very good."

NOTES: Jacoby won the event on fewer total misses when Lott missed his first jump of the day at 7-11/4 when Jacoby had passed.

QUOTING BRENNER: "I was not surprised at Carter's early throws. I expected him to throw far. He threw very, very well. On the winning throw to tell the truth, it all felt the same. I really caught the legs, though, on that throw and that was the difference. I am very thrilled and worn out."

Detlefsen threatened to challenge on the last curve, but Groenendaal lengthened her lead down the stretch. Groenendaal will attempt to win a second title in the 800 meters Saturday.

QUOTING TURNER: "Going into the meet, I was disappointed we didn't qualify in the mile relay and I didn't qualify in the open 400. I was worried about hitting the mark, but I am very happy with what I have done. This crowd is great. They make you think that everything is worth it. Not qualifying in the 400 made we want to win the triple jump more. It made me nervous and the more nervous I get the better I compete."

NOTE: Turner's 44-4 1/4 winning jump was wind-aided and not a meet record. Her only legal jump (42-3 1/2) will be the meet record.

QUOTING MCKAY: "This is only the third quarter I've run outdoors this year. I've
 had a headache ever since I got here. I don't feel good. I think my best races
 are still ahead of me. It takes determination to run the 400, the last 110 is
 tough. I decided to go out and run with the pack and determine the race myself.
 I would have liked to set a meet record today. I run for a record every time
 out."

NOTES: Franks and Forde held the lead down the backstretch, but Uti started to
 accelerate on the curve. Heading into the drive to the wire, McKay pulled even
 with the leaders and drew away to couple the outdoor title with the indoor
 crown he won last winter as a freshman. Nix finished in the top eight in the
 nation for the fourth straight year.

QUOTING CRUZ: "It wasn't difficult to run a good time. I needed to run in front. I tried to kill the rest of the runners off in the first lap. If I could do that, I didn't think I would have much trouble after that. I had to go out fast on the first lap to kill them. I didn't feel pain in the first lap. I did feel pain in the last 100. I was pushing it hard then."

Cruz's Splits: 1-:57.6 (1), 2-1:57.8 (1), Bell-2:41.5 (1), 3-2:57.2 (1)

S 8

NOTES: Cruz completes the 800/1,500 double, becoming the first man to accomplish the feat since Don Paige of Villanova in 1979. Cruz has lost only two races within the confines of his two collegiate seasons. He was beaten in a 1,500 by Washington State's Peter Koech in a 1983 dual meet and also to Steve Scott in the UCLA Pepsi mile earlier this year. Cruz now holds all three Oregon records at the distances he has run: 800 (1:44.04), mile (3:53.00) and 1,500. Cruz led all the way, O'Sullivan moved into contention with 400 meters left and Myers came from back in the pack on the backstretch of the final lap.

Press Interviews - Page 1
June 2, 1984

EINAR VILHJALMSSON, TEXAS (M-Javelin Winner): Yes sir (from Iceland). (Big sport in Iceland?) Well, it hasn't been until just recently. Both technically and physically I had to pull everything on the first one. I know that because I have had shoulder problems and I didn't know how much I could throw really, so I had to do it on my first throw and try and get everything out of it then. In the finals as it cooled off a little bit, I felt a little pain in the shoulder (bursitis). (Not a lot of left handed javelin throwers in the world) No, that's true, but they are quite good though.

GWEN LOUD, HAWAII (W-Long Jump Winner): "This was a good jump for me. I broke my toe early in the season. This is a positive sign for me. (On the competition) "My third jump was a good jump. I knew it would come down to myself and Thacker (Angela, Nebraska)."

RANDY GIVENS, FLORIDA STATE (W--Anchor on 400 Relay Winner): "We had a slight lead coming into the last leg. I just got the stick and went. I think our handoffs won it for us--we had pretty good handoffs. It's been great that we have been able to win the national title in this relay for three of the four years I've been at Florida State. (1981-AIAW, 1983, 1984)

JULIUS KORIR, WSU (M-5000 Winner): "I was thinking of Hill to win. (Last 400 -) That one was really exciting. I've never run that before (lap time). I felt stronger today than yesterday. I just woke up this morning and I was in a good mood to run with anybody else. (Koech) He just talked to me a little (during the race) so I knew he was behind me. I decided to move out (with under two laps remaining) because it was a little bit squeezed.

ANTONIO McKAY, GEORGIA TECH (400 Meter Men, Winner): "This is only my third quarter outdoors this year. I have had a headache ever since I got here. I don't feel good. I think my best races are still ahead of me (he is a freshman at George Tech). It takes determination to run the 400 as the last 110 is tough. I decided to out out and run with the pack and determine the the race myself. I would have liked to set a meet record today. I run for a record every time out."

SAM GRADDY, TENNESSEE (M-100 Meter Winner): "The field was very good. Anybody could have been the winner. I got a good start, I felt a step ahead and I lead the whole way. I love this crowd, the electric in the air. On my victory lap I was thanking the crowd for there support. They (the crowd) fired me up. (On Kevin Baptiste, Houston) I couldn't see him but I could feel him. I basically wanted to win this race."

JOAQUIM CRUZ, OREGON (1500 Meter Men winner): "It wasn't difficult today to run a good time. I needed to run in front and I tried to kill them (other runners) off in the first lap because I know there were some runners with strong kicks. If I killed them off early, I didn't think I would have that much trouble. I had to go out fast in the first lap. I didn't feel pain in the first lap. 56 seconds is almost nothing. I did feel pain in the final 100 meters as I was pushing it hard. (asked if he was thinking about the team score at the start of the race) I was going to run hard no matter what the team score was so that was not a factor in how hard I ran."

Press Interviews - Page 2

JOHN BRENNER, UCLA (M-Shot Put Winner): "There was a surprise (at Carter's early throws). I expected him to throw far. He threw very very well. (Winning throw) To tell the truth it felt the same, the upper body felt the same. It's just that I got the legs together on this throw, I really caught the legs, that's mainly the only difference. I'm very thrilled, I'm worn out. Like I said I was really pressing today, I wasn't throwing well. My warmups went poorly. I didn't feel good today, I just wasn't throwing well. I'm very fortunate getting the one throw off. (Throwing too far to the right) I was lining up wrong. I was positioning my feet at the back of the ring wrong. I didn't figure it out until the second three throws. The other throws I hit just as hard. As soon as I saw the flight I knew it was going. I was in real trouble, there's no doubt about it. I was in real trouble going into the second flight mainly because Michael (Carter) got the position where he would be the last thrower of the day off those first three throws. I didn't want that to happen and the reason is obvious what he did the last throw. He's probably the greatest competitor I've ever competed against.

DUB MYERS, OREGON (M-1500 Meter): "It's a real confidence booster to better your PR by two seconds. I wasn't surprised with my finish, in my mind I knew I would finish in the top three. I was at the back of the pack but I wasn't worried. I got boxed in last year, and I'm more content to run on the outside. I didn't feel any pressure I was just concentrating on my race. I just kept my eye on Omar (Ortega, Washington State)."

TONYA ALSTON, UCLA (Women's High Jump Winner): "I got it on my last jump. This was a PR for me and I had a PR in the heptathlon at 6-0. The crowd carries enthusiasm to the athletes and in turn we want to do well. The crowd helped me. I have a much better feeling today than I had after the heptathlon. I was tired after the heptathlon. I hope this is a stepping stone to the Trials. I don't think it was any particular help to have jumped in the heptathlon."

JOETTA CLARK, TENNESSEE (W-800 Winner): (Excitement of crowd) "I kind of did (pick up on excitement). I didn't want it to get to me. I pretty much expected the crowd to clap like they are doing now when I was running. I didn't really hear it until the last part of my run, the last 50 yards or so. I'm glad that it's over with. I can relax a little more. The pace was fine. It wasn't what I wanted to do originally, plan A. I had to resort to plan B. (Plan A was to) Go under 60 in the first quarter. I just had confidence in what I was able to do and if someone wanted to challenge me, I had to be able to rise and challenge them back.

ALBERT LANE, MISSOURI (M-High Hurdle Winner): (Were you worried about the muscle) Very worried. When I was warming up I felt some tenderness in it and I didn't know how well I could go, how fast. As the course of the race went on I just dug down a little harder.

CAROL CADY, STANFORD (W-Discus Winner): I guess the discus is my better event of the two anyway (shot runnerup yesterday). In a way it's nice to win it. I felt a little more secure in the discus for the start. I think I did (have a little more drive after shot). I think I came into it with a little extra drive. I never quite hit the one I wanted to. I think my adrenalin was up a little more than yesterday. The conditions were great. A good wind, good weather, good ring. It was good conditions.

JOE DIAL, OKLAHOMA STATE (Men's Pole Vault Champion): "I am surprised they didn't put the bar at 18-2 $\frac{3}{4}$, which would have been a meet record, rather than 18-2 $\frac{1}{2}$. When Tarpenning (Kory) cleared 18-0 on his first try I was behind. I missed at 18-0 on the first try and passed to 18-2 $\frac{1}{2}$, which I had to make in order to win. After I made 18-2 $\frac{1}{2}$, Tarpenning tried 18-4 $\frac{1}{2}$ and missed. We are very good friends and I was happy he jumped well. The crowd got me excited as well when they were cheering for Tarpenning. The crowd more than made up for the wind in the face. This was a great crowd."

KIM TURNER, TEXAS EL PASO, (100-Meter Hurdles): "Now that I have won I feel a whole lot better. I was on needles and pins (before the start). I feel a lot better now that I have a national championship under my belt. I'm elated. Technically it was a tough race, I lost my balance on the sixth hurdle. I'm looking forward to the trials. I just want to run faster there. The crowd clapping and yelling was just great.

RICK SLOAN, WSU ASST. COACH: "For the most part I thought we did a pretty good job. Lee Gordon in the 100 meters was a tremendous effort on his part finishing in second place. Joseph Taiwo in the triple jump with a lifetime best. Certainly our 5000 meter runners, Peter Koech and Julius Korir, did a remarkable job, coming back after doubling like both of them did, and going one-two in the 5000. I thought we competed well today for the most part. For the most part everybody gave it their best shot. The Oregon Ducks are to be commended. They did a tremendous job of competing today almost all the way across the board. When you compete that well you deserve to win.

PATTISUE PLUMER, STANFORD (Women's 5000 meter champion): "After four days nothing comes easy, but there is no way after getting second so many times that I wasn't going to win today. I wanted the gold today. I was surprised at how fast it (time) was today after four days. It was a perfect pace at 5 minutes. I was happy to have someone else take the pace for a while. I felt I could have won with a kick today if I needed too. I am not tired now, but I will be in about 5 hours. The crowd here is wonderful. They (crowd) are amazing. They root for everyone. We (athletes) would win all of the gold medals at the Olympics if we had crowds like this everywhere in the United States."

MIKE CONLEY, ARKANSAS (M-Triple Jump Winner): "I knew I had to be warmed up or it wasn't going to be a piece a cake. I was more consistent in the triple jump then I was in the long jump. I'm jumping well . . . I'll be ready for the Olympic Trials. The crowd is wonderful. I have never seen a crowd like this in the United States. . . this is just great.

DON BLY, OKLAHOMA (anchor on Men's mile relay team): "We felt good coming into this race. We felt SIU was going to be our main competition. We had good exchanges all the way in the race. I thought it would take a 2:59 or 3:00 to win. We were real close when SIU tripped on the final exchange and then I had about a 5 yard lead. I think it would have been real close at the end if SIU had not have fallen, but I think we would have won."

Detlefsen threatened to challenge on the last curve, but Groenendaal lengthened her lead down the stretch. Groenendaal will attempt to win a second title in the 800 meters Saturday.

QUOTING ALSTON: "I got it on my last jump. This was a PR for me. I had a PR
in the heptathlon at 6-0. I don't think it was any particular help to have
jumped in the heptathlon. I was tired after the heptathlon. The crowd
carries enthusiasm to the athletes and in turn we want to do well. The crowd
sure helps."

QUOTING TURNER: "Going into the meet, I was disappointed we didn't qualify in the mile relay and I didn't qualify in the open 400. I was worried about hitting the mark, but I am very happy with what I have done. This crowd is great. They make you think that everything is worth it. Not qualifying in the 400 made we want to win the triple jump more. It made me nervous and the more nervous I get the better I compete."

NOTE: Turner's 44-4 1/4 winning jump was wind-aided and not a meet record. Her only legal jump (42-3 1/2) will be the meet record.

NOTES: Stinson and Johnson were out early as Baptiste suffered a slow start. Graddy took command with 40 meters remaining and Gordon and Baptiste rushed up to grab second and third, respectively. Darwin Cook scratched after being injured in Thursday's events. Graddy ran the same time he clocked a year ago for fourth place.

NOTES: Oklahoma's Don Bly took the early lead, but was overtaken after about 70 meters by Florida's Leroy Reid before Baptiste easily ran down the field with about 10 meters remaining.

QUOTING MCKAY: "This is only the third quarter I've run outdoors this year. I've
had a headache ever since I got here. I don't feel good. I think my best races
are still ahead of me. It takes determination to run the 400, the last 110 is
tough. I decided to go out and run with the pack and determine the race myself.
I would have liked to set a meet record today. I run for a record every time
out."

NOTES: Franks and Forde held the lead down the backstretch, but Uti started to
accelerate on the curve. Heading into the drive to the wire, McKay pulled even
with the leaders and drew away to couple the outdoor title with the indoor
crown he won last winter as a freshman. Nix finished in the top nine in the
nation for the fourth straight year.

QUOTING CRUZ: "I thought the only thing I had to do was to stay behind Wuyke and let him set the pace, but just after the 400 I noticed he slowed down a little bit so I had to take the lead. I had a little trouble the last 300 because the wind was too strong. I thought about running under 45, but I think this time is OK now."

NOTES: Cruz's time is a season best, .02 faster than his winning time at the Pac-10 Championships. Wuyke took the early lead, but Cruz trailed the pace and took the lead with 300 meters remaining. Joaquim then held off Earl Jones in the stretch. Cruz's margin of victory was not as large as the ease with which he won the 1983 crown over William Wuyke.

QUOTING CRUZ: "It wasn't difficult to run a good time. I needed to run in front. I tried to kill the rest of the runners off in the first lap. If I could do that, I didn't think I would have much trouble after that. I had to go out fast on the first lap to kill them. I didn't feel pain in the first lap. I did feel pain in the last 100. I was pushing it hard then."

Cruz's Splits: 1-:57.6 (1), 2-1:57.8 (1), Bell-2:41.5 (1), 3-2:57.2 (1)

NOTES: Cruz completes the 800/1,500 double, becoming the first man to accomplish the feat since Don Paige of Villanova in 1979. Cruz has lost only two races within the confines of his two collegiate seasons. He was beaten in a 1,500 by Washington State's Peter Koech in a 1983 dual meet and also to Steve Scott in the UCLA Pepsi mile earlier this year. Cruz now holds all three Oregon records at the distances he has run: 800 (1:44.04), mile (3:53.00) and 1,500. Cruz led all the way, O'Sullivan moved into contention with 400 meters left and Myers came from back in the pack on the backstretch of the final lap.

TEAM SCORING AFTER THIS EVENT: Arkansas 44, Oregon 38, Arizona 37, Oklahoma 27,
Southern Illinois 27, SMU 26, Fresno State 25, Iowa State 25, UCLA 24½.

NOTES: Gerber is only the third native American to win the steeplechase in the last 10 years. The others were Randy Jackson of Wisconsin in 1980 and Brian Diemer of Michigan last year. Gerber's time makes him the second all-time American performer (behind five races by Henry Marsh) and third all-time collegian (behind Washington State's Henry Rono and Richard Tuwei). It was the fastest time ever by an American collegian. Gerber worked his way through the field with two laps to go. Korir was the only runner to be able to go with Gerber, but couldn't catch him in the stretch.

QUOTING GERBER: "Julius Korir is just awesome at the end of the race. If I had stayed back and tried to run with him in the last 200, he would have blown my doors off. So, with a half mile to go, I decided to make him run a little harder. If he was going to beat me, he was going to be in a race."

QUOTING JACOBY: "I felt tired from Wednesday night. I hit 7-5 1/4 perfect today. I thought it would take 7-6 1/4 to win. I have jumped against good jumpers this year and it has paid off. I'm not going to jump again until the Trials. I'm going to do some lifting as it will take strength to win. I'm going to get mentally and physically ready and I think my chances are very good."

NOTES: Jacoby won the event on fewer total misses when Lott missed his first jump of the day at 7-11/4 when Jacoby had passed.
