HAMMER THROW: Records galore? Not quite... We told you that Ken Flax of Oregon broke Tore Gustafsson's college record earlier today, and we were wrong. In feet and inches, Flax tied the mark. But metrically, he did not. And it's the metrics that count when it comes to records. Our apologies to the media and to Ken. If Flax wins, by the way, he would become the first U.S.-born NCAA champ in this event since Boris

HAMMER THROW: Records galore? Not quite... We told you that Ken Flax of Oregon broke Tore Gustafsson's college record earlier today, and we were wrong. In feet and inches, Flax tied the mark. But metrically, he did not. And it's the metrics that count when it comes to records. Our apologies to the media and to Ken. If Flax wins, by the way, he would become the first U.S.-born NCAA champ in this event since Boris
