WORLD INDOOR CHAMPIONSHIPS: U.S. team press officer Chuck Skow called from Toronto with news from that other meet. Chuck says the USA team captains are Butch Reynolds and Joetta Clark... Connie Price-Smith of Hobart, Ind., is the flag-bearer. All four USA sprinters made it through the first round of the 60, with Gail Devers as the fastest qualifier... In the 800, Jack Armour --- a late replacement for Stanley Redwine --- survived the first round, but Ray Brown bowed out... Debbi Lawrence set an AR in the 3000 walk with a 12:20.77 to advance to the final... Victoria Herazo, the other USA walker, failed to qualify.

QUOTES

FRIDA THORJARDOTTIR, winner Heat 1, Women's 3,000 meters

(On why she went out so fast...) "I just felt good and wanted to improve my time. I didn't know it I'd get a chance to do it tomorrow. I just wanted to make sure today. I thought I would go faster. I usually try to run how I feel, so I thought I'd see how it would go. I have nothing to lose."

MOLLY MCCLIMON, winner Heat 2, women's 3,000 meters

"It was just a tactical race. I just wanted to get qualified as simple as possible." Finish wasn't that simple, thought, with 3-4 girls in the leader pack, including Villanova's Nnenna Lynch, one of the favorites.

CORMAC FINNERTY, winner Heat 1, Men's 3000 Meters

"I could have run slower, but I found myself in the lead. I felt good because I wasn't boxed in, and I just wanted to finish in the top four. Guys came up on me at the end, but I held them off to make sure. I feel fine; I'm ready for tomorrow."

RAY APPENHEIMER, winner Heat 2, Men's 3,000 Meters

Took lead with little more than 2 laps to go, then pulled away; "My coach and I felt we wanted to stay off the rail and not get boxed in, otherwise might not make finals. Once I was in front I felt fresh enough...I felt nobody would challenge (for the lead), that they'd be fighting for the spots (to qualify). In the finals, hopefully I can stay with the pack through the 1st 2,000, then we'll see what happens." FYI, his time of 8:03 (something) is a PR

STEFFANIE SMITH, winner Heat 3, Women's 400 Meters

"It will be an indoor PR for me if it holds up (the 53.15 unofficial time). I knew I would have to go because they were taking the top eight times instead of places. I was just running it like a final."

DEON MINOR, def. champ, 2nd in 2nd heat men's 400:

He pulled right hamstring in SW Conference meet, missed a week's practice; injury happened in the 200. "I feel pretty good, it doesn't hurt. I just wanted to make sure I put together a good time." Heat winner was Wes Russell of Clemson.

JILL STAMISON, Winner Heat 1, Women's 800 Semi-Final

"I wanted to take it out fast--about 31--but I went too fast; I think about 29. On the middle laps I relaxed and then on the last lap I kicked it in. I can go a lot faster tomorrow. It was my goal to win it today. I didn't care about time."

SCOTT PETERS, Winner Heat 1, Men's 800 Meter Semi-Final

"It went a little slow. Just making the finals is the key...top three. We'll see what happens tomorrow."

Q-2

QUOTES

AMY WICKUS, winner 2nd heat women's 800

She took the lead in the final straight-away. "I just had momentum going. To me the trials are something to get out of the way. The heat started a bit slow but picked up about the third lap."

OLYMPIAN JOSE PARRILLA, 2nd 1st heat men's 800

"It went well. All I wanted to do was make the final. I'm happy. This the 1st time in 3 years I've made this final." At Barcelona he failed to get through the 1st round of the 800.

TOMMY ASINGA, Winner 2nd heat men's 800 semi-final

"I just try to qualify. I have the 4 X 800 coming up in two hours. I'm happy that I made it to the finals."

HOLLI HYCHE, winner 1st semi, women's 55 dash:

"It went better than my first race. I hesitated in that one at the gun and had to hurry up and go all out (she won it, too). In both heats I picked up the pace in the middle and accelerated. Tomorrow (the final)? I want to win."

CHERYL TAPLIN, Winner 2nd heat, women's 55 Meter semi-final

"The killer race is coming up (her 200 later today). That's the race I'm really worried about. In the first race today (the 55 meters), the starter held us too long in the blocks and everybody had a bad start. The times weren't too good in my heat. In the second round everybody was ready to go. It should be a good final tomorrow."

MICHAEL GREEN, def. champ men's 55m dash and winner of 1st semifinal

"I feel good, but I have to concentrate more on the start. I depend on the 1st 20m to give me the lead (it worked in the prelims and in the semifinal). I feel good and good about my chances of repeating tomorrow."

KAREN GLERUM, winner 1st heat women's mile: She took the lead on backstretch of final lap. "They took it out fast enough and I wasn't worried (about qualifying). I have a good kick and I try to rely on it. I just wanted to make sure I was in the top 3."

MARCEL LAROS, winner 1st heat men's mile semi-final (he came from 2nd place to cross the line first)

"I didn't want to take any risks. I can't see that well to my sides and I didn't want to have a couple of guys pass me. We didn't run that fast. I felt very relaxed, it was pretty easy."

QUOTES

NIALL BRUTON, winner 2nd heat men's mile run

Took lead on next-to-last turn. "A lot of guys were running cagey, including (defending champion) Andy (Keith, who placed 3rd). Our (Arkansas' Mike) Moran did a good job taking it out. This is the last (indoor) meet of the season...I just try to run my legs out. In this one Andy (Keith) obviously was holding back."

TRACY DAHL MORRIS, Winner of Women's 5,000 Meter Run

"It was wierd because they weren't giving out splits and I didn't know where I was at. It was hard to tell what pace we were running. I felt comfortable with the quick pace. I was expecting more people to go up to the lead. I thought we'd have to fight to pass. When I took the lead, I knew I'd have to maintain and grind it out." I felt good though and was able to finish strong."

Note: Dahl became "Dahl Morris" last June.

HOLLI HYCHE, Winner of Women's 200 Meter Run (an Indiana State soph & graduate of Indianapolis Perry Meridan High School)

(On winning in her hometown) "It means a lot to me. I'm just happy. I went all out. My coach told me to stay relaxed because I was going up against some top girls. I came out and ran. My parents and relatives and friends are here.

(On whether this was her best win) "This is the best. I'm running against lots of schools in the US. I wasn't expecting to win all four races today. I'm really happy.

(On her glasses) "They don't slip or anything. They just stay on one spot."

KEVIN COLEMAN, Winner of Men's Shot Put (Univ. of Nebraska Sr. and winner of last year's competition). (on winning this year) "It feels good." (when compared to last year) "Not as good, I threw farther(last year). The competition was kicking my butt today. I needed competition, but didn't respond to it." (about what he plans to do now) "I'm going to root on my other teammates".

CHRIS NELLOMS, winner men's 200m

"I was determined to be a contender--I wasn't worrying about winning. The victory made it even better, especially after all I've been through... I started picking up the lead in the second turn. I came off the top of the turn so fast I had no form. It (winning) feels so good, I could cry."

QUOTES

MONIFA TAYLOR, Winner of Women's 55 Meter Hurdles

"I'm so excited. I'm so happy I don't know what to say. The start felt good. Everything was OK. I'm just kind of excited right now. I didn't know if I could pull it off.

(Does it make up for missing the third spot on the Olympic team?) "No, it doesn't make up for it, but the Olympic Trials, I was just glad to be in them and I wasn't really THAT disappointed. I mean I would have liked to make the team, but...

"This is what I came here for. I'm so happy."

GLENN TERRY, winner men's 55H, runnerup last year

"This is phenomenal...it's totally exciting. It feels great. This being my last year gave me motivation and the crowd gave me a big lift. I knew I had to be quick out of the block and clean over the hurdles...then everything else would take care of itself. Last year I got complacent, this is just great."

ERICK WALDER, winner men's long jump, University of Arkansas

His 4th round jump of 8.33m (27-4) set a Hoosier Dome record previously held by Leroy Burrell and Larry Myricks at 8.23 (27-00.0). (about winning) "It feels good." (about breaking a record) "It's o.k.. I had some pressure because there were so many expaectations for me to win. My friend (Ray Doakes the favored high jumper who went out at 2.15, 7-0 1/2) didn't do so well. I saw him sitting over there. (about his win or Doakes loss affecting the team championship) "It won't affect it that much. We have key performers in the other events." (about competition) " The others were closing in on me. I had a good jump (the record breaking 8.33) and put the pressure on the others and off me. It is an indoor PR, but I've jumped 27-9.

JONAH KOECH, winner men's 5,000m, making it 3 times in 4 yrs (he passed up last year to concenterate on Olympics, then failed to make Kenya's team)

"I'm not really in shape. I have some knee and back ailments, and considering that, I'm really happy. This is only my second (indoor) meet; I won the Big 8 conference two weeks ago. It may have looked like an easy win but under the circumstances, it wasn't."

QUOTES

DAPHNIE SAUNDERS winner of women's long jump, LSU

" I was seeded 4th coming into the competition, so I wasn't expecting to win".
(She led from her first jump) Having to stop the competition dueto the opening ceremonies and the 55m hurdles finals "was distracting, it broke my concentration. I just thought about doing what I do in practice. I had to make alot of adjustments, the runway is so fast. "

(about her winning jump of 6.47, 21-2 3/4,) It's definitely a PR for me, my best was 21-0 1/2. I feel good about the triple jump tomorrow."

PERCELL GASKINS winner men's high jump, Kansas State 2.27m

(the win) "felt good. I knew I was ready, I felt good yesterday. I have a twisted ankle, but it feels superb today. I just want to thank God. I play football, I see how Deion (Sanders of the Atlanta Falcons and Braves) feels having to be in two places at the same time. It's possible to do two sports. I want to thank my coaches (both football and track) for working with me and cooperating with me. Doing two sports, I can be a grouch." FYI Gaskins is an outside linebacker

Q - 1

NCAA DIVISION I INDOOR TRACK & FIELD CHAMPIONSHIPS
Hoosier Dome, Indianapolis, Indiana
Saturday, March 13, 1993

QUOTES

MARKO WAHLMAN, Winner 35# Weight Throw

"I'm not satisfied. I'm satisfied because I won but the result was not good. I was trying for 22 meters. My technique was pretty bad. Of course the curtain interfered too. It would have been nice to throw where the audience could see."

AMY WICKUS, Winner Women's 800 Meters

(Her strategy) "To stay as close as I could and kick. I felt pretty pushed. (On why she went on the curve) I know, my coach always tells me about that. But you get real antsy and you just say 'now'. (Did she feel she could win?) "No, my coach did, but I didn't. I thought it would be nice to do better than last year."

MARKO KOERS, winner men's 800m

"I'm very happy. This is my first NCAA title. The race worked out exactly the way I hoped it would. At the start I just wanted to stay out of trouble. I took off with about 300m to go. I didn't know if anybody was going to challenge, but I knew I was going all the way." Koers was a Dutch Olympian at Barcelona, reaching the 800 semis.

CLARE EICHNER, Winner Women's Mile

"I guess I was spooked after yesterday. I got really bad position and was really frustrated. It (yesterday) was pretty much of a battle and I got really cut up. (Her legs had a multitude of cleat cuts) I just told myself to play it safe today and maintain good position. I just wanted to make the finals and whatever happened after that was fine. I had some confidence but wasn't totally secure."

NIALL BRUTON, winner men's mile

"I'm just real happy, this my first NCAA title; I wanted this so bad. There are so many good milers in the NCAA. I thought Andy (Keith) was gone. I tried to get him in the backstretch (last lap) but I couldn't. I was hurting, bad and Andy was so strong. I am a good kicker. I guess the will to win is what got me past him at the tape."

NCAA DIVISION I INDOOR TRACK & FIELD CHAMPIONSHIPS
Hoosier Dome, Indianapolis, Indiana
Saturday, March 13, 1993

QUOTES

SHANELLE PORTER, Winner Women's 400 Meters

(Did she think she had the race won at the wire) "I thought I did. At the tape I leaned but maybe I leaned at the wrong line. I'll have to see the picture.

(Porter injured her right adductor yesterday in the semi-final at 30 meters "My leg hurts. I barely made it to the finals. I was just trying to fight. I ran to survive. I felt it the whole way. I tried to ignore it but it was there.

"I came into the meet with low self esteem. I was just thinking that I hope I finish well."

DANYEL MITCHELL, Winner Women's Shot Put
JR, Louisiana State Univ.

(How did it feel to come from behind on her last throw - she was 4th going into the finals) "I'm in shock. It feels good, it feels real good." (Her winning throw of 16.91 is an all-time PR, her previous best was 53-6) "I'm surprised I pulled it off. I thought I'd place 4th. Oh God, I still can't believe it." (about how the winning throw felt) "I thought it was good. I didn't know it was going THAT far."

WESLEY RUSSELL, winner men's 400m

"This is my first (NCAA) title. I worked hard. I wanted it. Coming here I felt I had a chance. I felt I was getting better all the time. I felt good, but I've never been under 46 (seconds) before. I think working so hard helped pull me through."

HOLLI HYCHE, Winner Women's 55 Meters

"I'm very excited. My start wasn't too good but then I tried to stay relaxed throughout the whole race. I felt relaxed being at home with my friends and family. It really helped out.

I usually choke up when I see people on both sides of me, but I just stayed relaxed. I think if I wouldn't have leaned (at the finish), someone else would have won. It was a slow race. I was really expecting to run 6.68.

(On her two titles) "I was expecting at least one, but not two."

MICHAEL GREEN, 2-in-a-row winner men's 55m

"I had a terrible start; I guess I lost my concentration for a moment. I caught up with them with about 20 meters to go. After that, there was no problem. I knew I was going to be fast."

NCAA DIVISION I INDOOR TRACK & FIELD CHAMPIONSHIPS
Hoosier Dome, Indianapolis, Indiana
Saturday, March 13, 1993

QUOTES

CLARE EICHNER, Winner Women's 3,000 Meter Run & doublewinner (Mile also)
"I thought 'just get through that one' (the mile) and whatever I had left. I just gave it all. I was kind of worried about the time (an hour between races). I wasn't really drained but that time constraint was there. I felt cooled down. I did feel pretty good (down the stretch) I didn't have to fight for it.

(On staying back) "If you let other people do the work for you it's a good tactic. It doesn't always work though.

(On Wisconsin having a shot at the team title) "I knew if we all had really good days we'd be able to pull off something really spectacular."

TELISA YOUNG, Winner Women's Triple Jump
Jr. Univ. of Texas-Austin

"The competition was painful. I have a severe heel bruise and plantar fasciitis. I sat out all last year with a stress fracture, but that doesn't bother me anymore."

(about leading the competition from the second jump 13.03) "It's a PR for me. I wasn't paying attention (to where I was in the standings). I wanted to come and PR, and I did. The runway is fast, VERY fast and I had to adjust my steps. I'm usually right on the (takeoff) board."

DAVID MORRIS, winner men's 3,000m

"Last year I didn't make the finals but I got experience. I figured this year I had a chance. I ran a couple of good miles this year. I knew I'd be up there (in the field). The early pace was a bit slow but that didn't bother me. The last couple of laps I moved up pretty well. I have good speed at the end of the mile and I had a good kick tonight. It worked out well." FYI, Morris took the lead going into the next to last turn.

QUOTES

J.C. Broughton, Women's High Jump Winner (Broke meet record)
"I haven't jumped that well in a couple of years. I've been working really hard this year--since August--on my speed and I've really gotten faster. I've been a power jumper, but now I have been able to combine both. It really works for me. I've been ready for the jump; I knew it was there. All the jumpers out there use 10 steps but my coach kept me at eight. I'm only 40 feet back and the rest of the jumpers are 60 feet back.
(On attempting 6-5) "I was starving out there. I had lunch at 12 and was suppose to eat at 3 or 4, but I didn't feel like it. I took a nut muffin with me and started eating it during the competition. I couldn't wait. It had been eight hours. I was really glad I snatched that muffin."
(Does she have 6-5 in her?) "Yes. I know I do. I had a couple of good attempts at 6-5. I had never attempted 6-5. It was kind of scary. But it's there for me. I've just got to bring it out. Maybe this coming weekend."

QUOTES

ERICK WALDER, Winner Men's Triple Jump
Jr. Univ. of Arkansas

"Whew, I'm tired. I'm wore out from the night before (his record-braking performance in the long jump). I'm not exactly healthy. My hamstring is killing me. It's been (hurting me) for almost a year. (about his 5th round winning jump of 16.86) It's my best jump this seaon. (how does this help in the team standings) "I think we have it locked up now, 10 points here and we still hafe the relays."

MARTIN ERIKSSON, Winner Men's Pole Vault
Jr. Univ. of Minnesota

" It's great, it's the best. THE competition was really cchose. It's (winning) like rolling dice. (with Istvan Bagyula and Brent Burns graduated) "you don't have to be world class to win (NCAA). I'm a little shorter than most (pole vaulters), but I'm a little bit faster than most guys. " (at what point did you start th think you might win the competition)" When Nick (Hysong, ASU), missed his last attempt. It's kind of rough to sit and hope that someone else is going to miss." His jump of 5.50m is a PR.

QUOTES

Yolando Warren, LSU 4 X 400 Meter Anchor

"I am so happy. As a whole group we're excited that we were able to do it. We were concentrating on each leg doing her job and hoping it would be enough. We prayed before the race and thanked God that we had the ability to do it and that all of ~~XXX~~ us would be strong. We didn't want to put additional pressure on ourselves, so instead we just concentrated on running our race. The more you think about points the worse you do."

Frank Broyles, Arkansas Athletic Director

"We are thrilled. It's just an unbelievable record. They really performed beautifully. It was terrific."

JOHN MCDONNELL, Arkansas winning coach 10th yr in a row:

"It feels great, but I'm glad it's over with. When you have nine and the string is broken you have to start all over. Totally, we had an outstanding meet. Every athlete we brought up here had a great meet."
