FLORIDA STATE TRACK HOSTS SNOW BIRD INVITATIONAL

March 16, 1996

TALLAHASSEE, FL -- Over 700 track and field athletes competed at Mike Long Track as FSU hosted the Snow Bird Invitational. After early morning showers, the weather cleared up for a successful meet. The meet attracted many schools including Mississippi State, Virginia Tech, Memphis, Arkansas State, FSU, FAMU and many others.

"Overall, I was very pleased with the way we ran the relays," said Coach Terry Long. "The men and women both did an outstanding job with all the relays. They lined up and competed hard."

The women's 4X400 meter relay team automatically qualified for the NCAA Outdoor Championships with a time of 3:32.88. The team of Sophia Danvers, Maria Embon, Erica Shepard and Yashiva Edwards is coming off a runner-up finish at the NCAA Championships recently held in Indianapolis. FSU also took second and third in the 4X400M relay with the "B" and "C" teams recording times of 3:46.20 and 3:51.82, respectively.

Former FSU standout and World Champion Kim Batten participated in two of the men's events to the delight of the crowd.

"People really enjoyed watching Kim compete with the men in the 400 hurdles and 4X400 meter relay," commented Coach Long. "It helps to put her times in perspective. No woman has ever run that fast in March. She faced a very strong finishing head wind which made running the hurdles difficult. "She also ran 49.6 in the middle leg of the relay and that is a world class 400 meter relay leg. She did a great job."

Batten finished the 400 meter intermediate hurdles in a time of 54.37 to finish in the middle of the men's second heat.

The winning time in the women's 400 meter intermediate hurdles was Radhiya Teagle (1:00.27). FSU's Kristen Thorne finished second at 1:00.99.

Warrick Dunn made an impressive showing in the 100 meter dash with a time of 10.31. The time was a career best for Dunn. Dunn also ran on the men's 4X100M relay team that recorded a time of 39.50 and took first place. Also on the relay was football teammate Phillip Riley, All-American Jonathan Carter and Andrea Colombo. The mark is a provisional NCAA qualifying time.

Erica Shepard, who finished seventh at the NCAA's in the 800M, dominated the event again with a time of 2:07.84. Rikke Ronholt and Myrium Charles finished second and third.

Byron Capers placed first in the 200M dash with a time of 21.67. Capers also competed on the 4X400M relay team that placed second.

"Byron Capers ran exceptionally well," said Coach Long. "He is coming out of his first week of spring football competition and still ran a very strong relay leg and 200."

Other first place performances included: Casey Custer - W100M dash (11.74), Justin Johnston - javelin (67.72m), Phillip Riley - M110M hurdles (14.29).

"I was happy with the way we ran especially since it is early in the season," said Coach Long. "We will lighten up a little and take Monday off before resuming practice for next week's FSU Relays."

The FSU Relays will be held March 20-23. The majority of the meet will take place Friday and Saturday at Mike Long Track. The event will field some of the top talent in the nation as well as Olympic hopefuls. Admission is free.
