BLACKSBURG, VA. The Clemson men's track team won the ACC Indoor Track and Field Championship with 162 points Saturday in Blacksburg. This meet probably this has to go down as one of the best track performances in the history of Clemson and the ACC. We won nine out of 16 events overall and ended up with 12 ACC Champions, including the four members of our relay team. This is probably one of the greatest ACC performances in Clemson's history.
