FLORIDA STATE MEN'S TRACK AND FIELD TEAM WINS QUAD-MEET Seminole set four more NCAA Provisional Qualifying marks.

TALLAHASSEE, FL -- The Florida State track and field teams hosted their first United States Track Coaches Association Series quad-meet of the season Saturday at Mike Long Track. The Seminoles competed against Kansas State University, the Air Force Academy, and the University of South Florida.

The Florida State men's track and field team finished first and ended the day with ten first-place finishes, two NCAA Provisional Qualifying times, and another Zimbabwe national record for Iain Harnden.

Harnden, a senior from Harare, Zimbabwe, broke the Zimbabwe national record he set in the 100m high hurdles two weeks ago at the FSU Relays. His time of 14.08 was also good enough for a first-place finish. Harnden also finished first and shattered his season personal best time in the 400m hurdles. His mark of 50.39 set an NCAA Provisional Qualifying time for the event. Harnden has now set provisional marks in both hurdles events this outdoor season.

The Lady Seminoles completed the meet with seven first-place finishes, two NCAA Provisional Qualifying times, and a second-place finish in the overall standings. The Florida State women's track and field team was once again lead by Tonya Carter and Samantha George on the track and Lindsay Adkins-Osborn, Makiba Batten, and LaKeisha Mose in the field.

The final team scores for the women were Kansas State University 196, Florida State University 190, University of South Florida 169, and the Air Force Academy 77. The final team results for the men were Florida State University 200, the Air Force Academy 171, Kansas State University 169, and the University of South Florida 96.

Seminole jumper Joe Allen set an NCAA Provisional Qualifying mark and finished in first-place in the men's long jump with a jump measuring 25'10.75. Allen also placed second in the men's triple jump with a mark of 49'07.00. Florida State's Mario Lowe edged Allen with a jump of 50'01.75 and finished first in the event. The Seminole's Jeff Atkinson and Gary Visser placed first and second in the men's pole vault. Atkinson placed first with a mark of 16'00.00 and Visser finished second with a vault of 14'10.00.

Carter continued her outstanding season by taking home first-place finishes in the 100m and 200m dash. Carter set an NCAA Provisional Qualifying time in the 100m with a mark of 11.48 and just missed another provisional time in the 200m with a mark of 23.61. George set another NCAA Provisional Qualifying mark and finished first in the 400m dash with a time of 52.83.

The Lady Seminoles also set an NCAA Provisional Qualifying time in the 4x100m relay with a mark of 44.67. The FSU women's 4x400m relay team took home a first-place finish with a time of 3:42.81. In the women's pole vault, Adkins-Osborn set a personal season best and finished first with a mark of 12'00.00. Mose placed first and had a Seminole season best mark in the women's hammer throw. Batten, a sophomore from Detroit, placed first in the women's discus with a mark of 162'09.00.

Seminole Freshman Marteen van den Heuvel finished first with a Seminole season best time of 1:52.08 in the 800m run. The FSU men's relay teams took home first-place
