SEMINOLES GARNER FIVE TOP FIVE FINISHES AT TEXAS RELAYS FSU sets three more NCAA Provisional Qualifying marks.

AUSTIN, TX -- The 73rd Clyde Littlefield Texas Relays came to a close Saturday, but not before the Florida State track and field teams made their mark on the second largest annual track and field event in the United States. The Seminoles finished with five top five finishes and three more NCAA Provisional Qualifying marks.

The Seminoles were led by junior Joe Allen whose jump of 7.87m was good enough to earn him a fifth-place finish and set an NCAA Provisional Qualifying mark in section A of the men's long jump. Allen qualified for the finals by finishing first in section B with an NCAA Provisional Qualifying mark of 7.88m.

The Lady Seminoles were led by two strong performances in the field events. Sophomore Makiba Batten continued her impressive outdoor campaign with another strong performance in Texas. Batten placed third in section A of the women's discus with a throw of 161'08.00. Batten also finished 11th in section A of the women's shot put with a throw of 43'10.00. Lindsay Adkins-Osborn also had an impressive meet this weekend. The senior from Pensacola, FL placed second in section B of the women's pole vault with a mark of 11'07.75".

Iain Harnden once again led the Seminoles on the track. Harnden had another impressive meet in what has turned out to be a record-breaking outdoor season for the senior from Zimbabwe. Harnden placed fourth in the 400m hurdles with a time of 51.73 and placed 10th in the 110m hurdles with a time of 14.21.

The Lady Seminoles also set an NCAA Provisional qualifying time on the track this weekend. The 4x400m relay team turned in a season best time of 3:36.72 and finished third in the preliminaries of the 4x400m relay. They went on to place ninth in the 4X400m relay finals. The Lady Seminoles also finished first in their heat of 4x100m relay preliminaries with a time of 45.34 and placed ninth in the finals.

The Seminoles return to action next week in their second United States Track Coaches Association quad-meet of the outdoor season. Florida State will host the University of Miami, Ohio State University, and Tulane University at the Mike Long Track Saturday April 15th. This will be the Seminoles last chance to prepare for the ACC Outdoor Championships in Durham, NC April 21st and 22nd.

Please note that the complete results for the 2000 Clyde Littlefield Texas Relays are posted on www.texassports.com/texasrelays/.

Should you wish to have complete results faxed to you or a specific outlet call or email Todd Trulli at ttrulli@athletics.utexas.edu or 512.471.9640.

The men's and women's results are approximately 20 pages apiece and the last time I checked most SIDs weren't too keen on 40-page faxes.

Thanks for your understanding.
