LADY SEMINOLES UPSET 11TH-RANKED BUCKEYES, FINISH FIRST AT USTCA QUAD-MEET

Florida State men earn five first place finishes and place second overall.

TALLAHASSEE, FL -- The Florida State track and field teams hosted their second United States Track Coaches Association Series quad-meet of the season Saturday. The Lady Seminoles out pointed the 11th-ranked Ohio State Buckeyes and earned a first place finish while the Florida State men finished in second.

The Lady Seminoles garnered seven first place finishes, set 14 personal season-best times, and set three Seminole season-best marks. NCAA 60m Champion Tonya Carter finished first in the 100m dash with a time of 11.54. Carter also placed second and set a Seminole season-best mark in the 200m with a time of 23.58.

Samantha George and Tangela Wobbleton also took home first place finishes in track events. Wobbleton finished first and set a personal season-best with a time of 53.92 in the 400m dash. George placed first in the 800m run with a time of 2:05.74. The women's 4x100m relay team took first and set another NCAA Provisional Qualifying mark with a time of 44.84.

The Lady Seminoles finished first overall with 182 points. The 11th-ranked Ohio State Buckeyes finished second with 172 points, the University of Miami scored 146 points and finished third, and Tulane University placed fourth with a total of 106 points. Ohio State finished first in the men's team competition with 209 points. Florida State finished second with 198 points, Tulane University finished third with 118 points, and the University of Miami placed fourth and totaled 110 points.

The Florida State men placed first in six events, set 16 personal season-best marks and eight Seminole season-bests Saturday. Donald Heaven led the way for the men in the field. Heaven took home first place finishes in the men's shot put and the men's discus. His mark of 51'08.25 in the shot put was a Seminole season-best mark and his throw of 159'03.00 in the discus was just short of a personal-best.

Mario Lowe and Joe Allen continued their impressive seasons with first place finishes Saturday. Lowe's jump of 51'05.50 set a Seminole season-best mark in the triple jump. Allen's jump of 25'02.50 set another NCAA Provisional mark in the long jump.

The Seminoles also had a strong meet on the track. Senior Steve Augustine set a personal season-best and NCAA Provisional Qualifying time with a mark of 50.97 in the 400m hurdles. The men's 4x100m relay team's mark time of 41.18 was good enough for a Seminole season-best time and a third place finish.

Maarten van den Heuvel finished first in the 1,500m run. His time of 3:47.64 was a Seminole season-best. Sophomore Chris Williams placed first and set a Seminole season-best in the 200m dash with a time of 21.42.

The Lady Seminoles also had an impressive day in the field events. Lindsay Adkins-Osborn garnered another first place finish with mark of 11'10.50 in the pole vault. Makiba Batten placed first in the women's discus with a throw measuring 163'11.00, and LaKeisha Mose's mark of 174'03.00 in the women's hammer throw was also good enough for a first place finish.

The Seminoles travel to Durham, NC next week for the ACC Outdoor Championships. Florida State will be looking to add to the eight ACC crowns they won at February's ACC Indoor Championships.

FSU TRACK AND FIELD SET TO HOST OHIO STATE, MIAMI, AND TULANE THIS WEEKEND

11th-ranked Buckeyes highlight strong field for second quad-meet of the season.

TALLAHASSEE, FL -- The Florida State track and field teams will host their second United States Track Coaches Association Series quad-meet of the season Saturday at Mike Long Track. The Seminoles will compete against Ohio State University, the University of Miami, and Tulane University in their last meet before next week's ACC Outdoor Championships.

Florida State will be facing some of the nation's top collegiate athletes this weekend and the Lady Seminoles will look to seniors Samantha George and Tonya Carter to continue their strong outdoor performances. Carter has posted the best time in the ACC this season in both the 100m and 200m dash. The reigning NCAA 60m dash champion will be looking to improve her times and set NCAA Automatic Qualifying marks.

George owns the fastest time in the ACC in two events this season. She leads the conference and has set NCAA Provisional Qualifying times in the 400m and 800m dash. Miami's Wyllesheia Myrick should challenge George in the 400m dash after setting a school record in that event two weeks ago. In the 800m event, All-American Hurricane Natalie Watson should push George after posting an NCAA Provisional Qualifying time at the Gatorade Classic.

The 4x400m relays should be two of the most closely contested events of the weekend. The Lady Seminoles hold the ACC's top time in this event but Miami and Ohio State have both posted first place finishes in the 4x400m in their most recent meets. The Seminole men will face an Ohio State relay team that has already posted an NCAA Provisional Qualifying time of 3:06.63 at the Brutus Hamilton Memorial Invitational.

Another anticipated match-up will pit Tulane's Edrige Darling versus Seminole senior Iain Harnden in the 400m hurdles. Harnden has set two Zimbabwe National records in the 400m hurdles this outdoor season. He will be looking to shave .29 seconds off of his season best time of 50.39 in hopes of posting a NCAA Automatic Qualifying time. Harnden will also face stiff competition in the 110m hurdles from Miami's Caldrequis Lesley.

The Seminoles hope the competitive field will help them prepare for next Friday and Saturday's ACC Championships. The Seminoles currently have 34 of the top five fastest times or marks posted in the ACC this season. The field events will get underway Saturday at noon at Mike Long Track on the Florida State campus.
