FSU'S SAMANTHA GEORGE POSTS AN NCAA AUTOMATIC QUALIFYING TIME IN THE 400M

ATLANTA, GA. -- The Florida State track and field team traveled to the campus of Georgia Tech this weekend for their last chance to qualify for the NCAA Outdoor Championships. Senior standout Samantha George saved her fastest time of the season in the 400m dash for the Georgia Tech Invitational and solidified her place at the NCAA's, finishing in second with a time of 52.03.

George, who already had the fifth-best 400m mark in the country heading into the weekend, will await the final results from meets around the country to see where she stacks up heading into the National Championships at the end of the month. Joining George in Atlanta were several other teammates looking to enhance their position for the NCAA's.

Sophomore Christian Bland finished third in the high jump and just missed a provisional qualifying mark by 0.02m and sophomore Makiba Batten, who had previously established a provisional mark in the discus throw, missed a provisional mark in Georgia this weekend by a little less than three feet. Batten finished fourth in the competition.

Senior LaKeisha Mose placed third in the hammer throw and seniors Lindsay Adkins-Osborn and Nikki Allen placed fifth and eighth respectively, in the pole vault. Another senior, in what might have been the last meet of her career, captured ninth place in the javelin throw with a toss of 41.38m. Junior Joe Allen, whose best jump of the year would have won the meet this weekend, scratched on his attempts to improve.

Members of the Florida State track and field team that do qualify for the NCAA Outdoor Championships will have a little under two weeks to prepare for the event scheduled to begin May 31st.

FLORIDA STATE UNIVERSITY

SPORTS INFORMATION

FOR IMMEDIATE RELEASE

MAY 18, 2000

FLORIDA STATE TRACK AND FIELD CONCLUDES SEASON AT GEORGIA TECH
Seminole will have one last chance to qualify for NCAA Outdoor Championships.

ATLANTA, GA - The Florida State men's and women's track and field teams will compete in their final meet of the 1999-2000 season this weekend. The Georgia Tech-Reebok Invitational is scheduled to take place May 19th and 20th at George C. Griffin Track in Atlanta, Ga. It will be the last chance for many Seminoles to qualify or improve their position for the NCAA Outdoor Championships.

Iain Harnden is one of 10 seniors scheduled to compete in the Georgia Tech Invitational. Harnden enters this meet after his best outing of the outdoor season at last week's Seminole Twilight where he posted a time of 49.68 in the 400m hurdles. That was the fourth fastest time in the NCAA this season and automatically qualified him for the NCAA Championships. Harnden will use this weekend's meet as a tune up for the upcoming championships.

Tonya Carter heads into this weekend with the NCAA's 10th fastest 100m dash time this season. The senior from Douglasville, Ga. would like to run well this week and solidify her place in the NCAA Championship field. Carter should qualify for the NCAA's where she will attempt to become the first Seminole to win two NCAA individual track and field championships since 1985.

Senior Samantha George will run in the 400m dash this weekend but she probably won't need to improve her time to qualify for the NCAA Championships. George currently has the NCAA's fifth fastest time in the 400m dash (52.28) and the eighth fastest time in the 800m run (2:05.14). She is the only Seminole who is currently qualified for two events at the upcoming NCAA's.

Three Seminoles will attempt to improve their position in the NCAA standings at the Georgia Tech Invitational in order to qualify for the outdoor championships. LaKeisha Mose will need to better her mark in the women's hammer throw to qualify for the NCAA's. Mose currently ranks 22nd in the NCAA with a throw of 57.22m. She will need to add a few meters to her season best mark if she wants to make the trip to Duke for the NCAA's.

Makiba Batten, a sophomore from Detroit, Mich., enters this weekend's meet right on the verge of an NCAA qualifying mark. Batten had a personal season best discus throw of 172' 10.00 at last week's Seminole Twilight and currently has the NCAA's 18th best mark.

Another athlete looking to solidify his NCAA qualifying position is junior Joe Allen. Allen did not take part in last week's Seminole Twilight and is currently 14th in the nation in the long jump. His season best mark of 7.89m should qualify him for the NCAA's but a better jump this weekend would greatly improve his chances.

Zuzette Mullings posted her best heptathlon result of the season last week at the Seminole Twilight but she is still 23rd in the NCAA standings. There won't be a heptathlon run at this weekend's Georgia Tech Invitational so Mullings is scheduled to compete in the 100m dash, 200m dash, long jump and triple jump. Mullings will have to wait and see if last week's result was good enough to qualify her.

For many seniors, this meet may be the last time they will compete as a member of the Florida State University track and field team. Nikki Allen and Lindsay Adkins will conclude their collegiate careers Saturday when they compete in the pole vault. Steve Augustine is currently 28th in the NCAA in the 400m hurdles and will probably need to

FLORIDA STATE UNIVERSITY

SPORTS INFORMATION

con't

move up about 10 spots to qualify for the NCAA's. Danny Smith will conclude his Seminole career by taking part in the 800m run Saturday.

The NCAA Championship's will be held at Duke University in Durham, NC and is schedule to run from May 31st to June 3rd.
