Natalie Hughes accumulates her second regional qualifying mark in as many weeks.

ATLANTA, Ga. – The Florida State track and field team concluded their regular season meet competition on Saturday at George C. Griffin Track on the campus of Georgia Tech. Senior Kim Jones and junior Brian Dzingia earned individual victories on the final day of competition in the women's long jump and men's 100m dash, respectively.

Dzingia earned a spot in the finals of the men's 100m dash after running to a preliminary qualifying time of 10.59. In the finals, he turned in the fastest performance of his collegiate career winning the event in a time of 10.37. It was Dzingia's first individual event victory of the season.

Sophomore Natalie Hughes has been on a tear recording her second regional qualifying mark in as many weeks, this time in the 800m. She placed 13th in the event in a time of 2:08.90. It was the fastest time posted by Hughes this season, earning her a spot at the NCAA East Regional Championships to be held in two weeks.

In the women's 100m hurdles, LaKendra McCColumn and Deanna Lane tied for eighth in the preliminary competition in a time of 14.09. Lane's time of 14.09 was her fastest of the season and good enough to qualify for regional competition. She just slipped under the qualifying standards by .01 seconds.
