Batten, Johnson, Gerber Advance After Day One Of Competition At NCAA Outdoor Track & Field Championships

Freshman Garrett Johnson wins his flight in the men's shot put to advance to Friday's final.

SACRAMENTO, Calif. - The Florida State track and field team entered the 2003 Outdoor Championships at Sacramento State University with the highest number of athletes (23) to qualify for the NCAA's since the early '80s. With this in mind, the Seminoles were eager to go out and compete for a pair of team titles amongst the nation's best. But the garnet and gold struggled on Wednesday advancing only three athletes through 11 events after day one of competition. Leading the way for Florida State was Laura Gerber in the 800m run, Makiba Batten in the discus and Garrett Johnson in the shot put.

Senior Laura Gerber made her way into the semi-finals of the women's 800m run after winning the second heat in today's qualifying round. Gerber crossed the finished line in a time of 2:07.24 and will run Thursday for the right to advance to Saturday's final.

Senior Makiba Batten had the best showing of any Seminole on Day One of competition at the 2003 NCAA Outdoor Championships in the women's discus. Batten a 2000 All-American in the discus, finished third in her heat and fourth overall. On her first attempt of the afternoon, she established a mark of 170' 9" (52.05m), which was good to get her into Friday's final. Batten set a collegiate best mark of 181' 2" at the FAMU Relays earlier this season. She is the school record holder in the event and entered this week's championship as the No. 8 ranked thrower in the nation.

Freshman Garrett Johnson was the final qualifier for the Seminoles on the first day of competition in the men's shot put. On his first attempt, Johnson won his flight by establishing the mark to beat at 60' 11.25" (18.57m). His throw was good for seventh overall and a place in Friday's event final. Fellow teammate Dorian Scott did not fair too well in his attempt to qualify for the final round. Scott struggled all evening long to get a good throw off due to the shot put slipping off his neck. Moisture on his neck caused havoc for Scott in each of his three attempts to establish a competitive mark. His best throw of the evening was recorded at 54' 11.25" (16.74m), good for 24th place.

In the men's long jump competition, senior Kolby Jones posted his second longest jump of the season at 24' 8.25" (7.52m). He finished seventh in the second flight and 19th overall to finish seven places behind the needed qualifying standard to reach the finals. In his final two meets of his collegiate career, the West Des Moines, IA native accumulated his best

performances as a Seminole compiling two of his furthest jumps at the East Regional (25' 0") and then tonight at the NCAA Championships.

Senior Kim Jones saw her season in both the 100m hurdles and long jump come to an end after Day One of competition. In the long jump, Jones placed fifth in her flight posting a mark of 20' 3.75" (6.19m). She would finish in a tie for 14th overall and miss the cut into Saturday's final by only two inches. Earlier in the day, Jones placed 21st in the 100m hurdles in a time of 13.75. On the men's side, Danyne Brown finished 22nd in the 110m hurdles in a time of 14.15 and missed out on making the cut into the semi-finals.

Senior Jeff Atkinson, making his first NCAA Championship appearance, cleared the bar in the men's pole vault at 16' 4.75" (5.00m) and finished in a tie for 16th. Brian Dzingai, who qualified for the most events (4) on this year's Florida State team, placed 24th in the 100m in a time of 10.89. Both Atkinson and Dzingai did not qualify for the next round in their respective events.

The men's 4x100m relay team did not compete on Wednesday evening. Sophomore sprinter Craphonso Thorpe was unable to make the trip out to Sacramento for the Seminoles due to a sore hamstring suffered two weeks ago at the NCAA East Regional Championships.

The 2003 NCAA Outdoor Track & Field Championships continue Thursday, June 12 with nine Seminoles competing in individual events, while both the men's and women's 4x400m relay teams will be in action. Here is a look at who will be in action on Day Two of competition in Sacramento, Calif.

Lacy Janson – pole vault

Brian Dzingai – 200m dash

Laura Gerber – 800m run (Semi-finals)

Rafeeq Curry and Willie Johnson – triple jump

Natalie Hughes – 1500m run

Latoya Legree – triple jump

Vicky Gill – 10K (Final)

Joep Tigchelaar – 10K (Final)

Women's 4x400m relay – Laura Gerber, Tamara Campbell, Evelyne Niako, Shauna Quinn

Men's 4x400m relay – Brian Dzingai, Sean Campbell, Cedrick Robinson, Joe Paiva

Gill, Tigchelaar Garner All-American Honors In 10K

Four Seminoles, along with the women's 4x400m relay team, all qualify for the finals on Saturday.

SACRAMENTO, Calif. – The Florida State track and field team faired well on the second day of competition at the NCAA Outdoor Track & Field Championships, qualifying four individuals to the finals in their respective events, while the women's 4x400m relay team will vie for an NCAA Championship. In the 10K, senior Vicky Gill and junior Joep Tigchelaar garnered All-American status with a pair of sixth place finishes for the Seminoles. Through two days of competition out in Sacramento, Calif. the women are in fifth place, while the men sit in tenth.

Senior Vicky Gill entered the championships with a pair of school records and All-American accolades in cross country. Gill walked away from the championships with her head held high, saving her best performance of the year on Thursday night. Gill finished sixth in the 10K and crossed the finish line in a personal best time and new school record of 33:09.25 to earn All-American honors. She now joins former Florida State stand out Darien Andreau as the only Seminole to earn All-American honors in both cross country and track and field.

After running to a 16th place finish at last year's finals in the 10K, junior Joep Tigchelaar had his eye set on a national championship. Although he fell short of winning the elusive title, Tigchelaar improved ten spots from last year and received All-American honors after placing sixth. He finished the race in a time of 28:34.09, the second fastest time recorded this year.

On Thursday afternoon, sophomore Lacy Janson drew one step closer to becoming only the second athlete to win both the indoor and outdoor pole vault titles in the same year, as she advanced to Saturday's event final. Janson a 2002 Outdoor All-American in the pole vault, easily cleared the bar on her first two attempts at 3.75m and 3.90m. She clinched a spot in the finals, along with 15 other competitors, after vaulting 13' 1.5" (4.00m).

Senior Laura Gerber assured herself of her best ever finish at the NCAA Outdoor Championships after finishing in a tie for second during the semifinal round of the 800m run. Her time of 2:04.17 was the third fastest time posted by Gerber this season. The finals of the 800m will run on Saturday evening.

In the men's triple jump competition, both Rafeeq Curry and Willie Johnson made their way into the event final on Saturday finishing fifth and 12th, respectively. Curry, who sat

towards the top for pretty much the entire evening, solidified a spot in the top five on his last jump. Curry established a personal best mark of 53' 10.25" (16.41m) on his third attempt. Johnson saved his best jump for last as he made the cut on his third and final attempt as well. He jumped to a personal best mark of 52' 9.5" (16.09m) and placed 12th.

The women's 4x400m relay team of Tamara Campbell, Laura Gerber, Evelyne Niako and Shauna Quinn finished second in their heat and sixth overall in a time of 3:34.32. It was the best time posted this season in the relay event and was the tenth fastest time recorded in FSU history.

Junior Brian Dzingai did not fair as well in the 200m placing 22nd in a time of 21.66. Sophomore Natalie Hughes did not make it into the final run of the women's 1500m, despite posting a personal best time of 4:16.33. She finished in 15th place. Competing in her first NCAA Championship, freshman Latoya Legree gained valuable experience this week as she placed 18th in the women's triple jump competition. Her best jump of the day came on her final attempt when she established a mark of 41' 3.25" (12.58m). The men's 4x400m relay also missed out on making the cut into Saturday's final. The team of Joe Paiva, Cedrick Robinson, Rafeeq Curry and Sean Campbell finished tenth overall in a season best time of 3:06.52. The time was the tenth fastest record in the 4x400m relay in Florida State history.

The 2003 NCAA Outdoor Track & Field Championships continue Friday, June 13 with Makiba Batten and Garrett Johnson competing in the women's discus final and men's shot put final, respectively. Both individuals will search for their first outdoor track and field national title.

Day Three Of Competition Concludes At NCAA Outdoor Track & Field Championships
Sophomore Natalie Hughes earned All-American honors in the 1500m run on Thursday evening.

SACRAMENTO, Calif. – The Florida State track and field team entered the third day of competition with two athletes vying for their first ever NCAA individual championship. Senior Makiba Batten looked to improve on last year's ninth place finish in the discus, while freshman Garrett Johnson was eyeing a title in the men's shot put. After the day was done, the Seminoles walked away with a pair of 12th place finishes in both events. With one more day of competition and seven events scored, the women currently sit in a tie for 28th. The men are in a tie for 35th after 10 events completed in Sacramento, Calif.

In the men's shot put, Johnson marked on his first attempt establishing a throw of 52' 6" (16.00m). But little did the Tampa, Fla. native know that would be his only mark of the evening. On his final two throws, Johnson would foul and have to settle for a respectable 12th place finish in his first NCAA tournament.

Senior Makiba Batten had trouble adjusting and could not establish a legal throw in each of her three attempts in the women's discus on Friday evening. Batten fouled each time and would go on to place 12th.

On Thursday, the Seminoles' Natalie Hughes earned her second straight All-American accolades in the 1500m run. The sophomore from Grand Junction, CO finished 15th in a personal best and school record time of 4:16.33. She earned the honor as being the seventh fastest American in the event. Along with the top eight finishers in each event, the top eight Americans also garner All-American status.

The 2003 NCAA Outdoor Track & Field Championships will conclude on Saturday, June 14. The Seminoles will send four individuals into event finals as well as the women's 4x400m relay team. Competing on Saturday includes:

Lacy Janson, pole vault

Rafeeq Curry and Willie Johnson, triple jump

Laura Gerber, 800m

Women's 4x400m relay team (Gerber, Tamara Campbell, Evelyne Niako, Shauna Quinn)

For complete results on the final day of competition out in Sacramento, Calif., stayed tuned to www.seminoles.com, the official athletic website of the Florida State Seminoles.

Gerber Earns All-American Honors After Best Finish At NCAA Outdoor Track & Field Championships

Lacy Janson and the women's 4x400m relay also garner All-American accolades on the final day of competition.

SACRAMENTO, Calif. -- The 2003 NCAA Outdoor Track & Field Championships came to an end on Saturday evening in Sacramento, Calif. with Florida State receiving three All-American honors. Senior Laura Gerber led all Seminoles with a fourth place finish in the 800m run, helping the women's team to a 26th place finish with 10.50 points. The men's squad finished the championships in a tie for 57th.

Wearing the garnet and gold for the final time as a Seminole, senior Laura Gerber made sure to leave her place in the history books. The Geneva, Switzerland native ran the best race of her collegiate career in the 800m run crossing the finish line in a new school record time of 2:02.25. The time broke the previous record set earlier this season by Gerber by almost a full second. Gerber placed fourth in the event to earn her first Outdoor All-American honor.

The women's 4x400m relay team of Tamara Campbell, Laura Gerber, Shauna Quinn and Evelyn-Cynthia Niako placed seventh in the finals in a time of 3:34.37, the second fastest time recorded this season. The finish was good to receive All-American honors for the team.

Sophomore Lacy Janson's quest to become just the second athlete in NCAA history to win both the indoor and outdoor pole titles in the same year, hit an unfortunate turn of events when she suffered a sprained ankle during the warm-ups of Saturday evening's event final. Competing through the pain, Janson was able to clear two heights before coming up a bit short at 4.20m. She would compile her best finish at the outdoor championships with a tie for eighth, establishing a mark of 13' 5.25" (4.10m) to garner All-American accolades.

In the men's triple jump competition, sophomore Willie Johnson and freshman Rafeeq Curry would finish in 11th and 12th place, respectively. Johnson's best jump of the evening was recorded at 51' 9.75" (15.79m), while Curry had to settle for his best mark at 47' 11.75" (14.62m).

The 2003 Outdoor Track & Field Championships come to a close with the NCAA crowning a pair of SEC schools with team titles. The LSU Tigers won the women's championship, while the Arkansas Razorbacks took the men's title.

The Florida State Seminoles will leave Sacramento, Calif. having endured one of the most successful seasons under head coach Terry Long. Ironically enough, the end of this season also closes the book on the legendary coaching career of Florida State's Terry Long. Under the tutelage of coach Long, the Seminoles entered this year's championship with a total of 23 athletes, the most ever to qualify for the NCAA's since the early '80s. They left the state of California with six All-Americans, the most since 1994, and three school records. Overall in 2003, the garnet and gold posted seven school records, captured the men's ACC crown, finished as the conference tournament runner-up on the women's side, earned three Coach of the Year honors, the men's ACC Rookie of the Year award and finally the men's ACC Performer of the Year. And with a young nucleus returning for next season, the sky's the limit to what the Seminoles can achieve in 2004.
