Notes/Recap

Joshua Kimet of ESM set the early pace, with Alan Webb comfortably in 2nd. The fast pace quickly created a pack of 4 runners - Kimet, Webb, Joseph Koskei and Karl Savage. Kimet dropped out with 6.5 laps to go, Webb taking over at this point. With 4 laps left, Koskei moved back in front at 9:06. At the gun the two continued to run neck & neck, with Webb kicking to victory in 13:30. Koskei was 2nd in 13:32, Patrick Gildea 3rd in 14:01. Webb's time was 15 seconds faster than his 1st place time

Quotes**Alan Webb()****Nike***How do you feel about the race?*

I started hurting in the middle. It's my first 5K race since last year. Through the first 1200 I felt good.

Alan Webb()**Nike***How do you feel about the 13:30?*

13:30 is a good time. I wanted to run significantly faster than last year. It's my first outdoor race since last year. I wanted to kick off a good year, and I'm getting ready for a good season.

Did you feel any pressure out here?

"No, you've just got to go out and execute and really not think about pressure."
