The Florida State University lady Seminoles scalped the University of South Florida Brahmanettes 67-59 yesterday at the South Florida gym.

Time and again, the taller Seminoles took the ball inside to score easy buckets, and this, along with a tight defense and an ability to slip people out for the fast break, led to USF's downfall.

Bobbie Parr led the attack on the Brahmanettes, scoring 23 points. Assisting her were Chris Brokas with 18 and Shirley Silsby with 12.

The bright spots for USF were the scoring tandem of Nancy Yengel and Candy Fishel. Yengel had a game-high 26 points and Fishel, a Chamberlain High product, finished with 16.
