TAMPA — Florida State's Lady Seminole basketball team won its fourth straight game here Friday night, breezing past Florida International 87-63.

Cherry Rivers led the attack with 21 points, followed by Rose Harper (19), Jackie Arnold (15) and Ann Collins (10).

Tonight, the Lady Seminoles take on South Florida here.

Florida State got off to a slow start against FIU, leading by just five at intermission. But coach Dianne Murphy's squad came untracked in the second half and breezed to its 10th win of the year against four defeats.
