Coaches Quotes
Florida State 83, Louisville 70
Game #6
Women's Metro Tournament

Marynell Meadors, Florida State

"This was a great team win. We were up one at the half, played back and forth the first seven minutes then tightened our defense and created some turnovers. I was proud of the way we hustled down the stretch.

"Louisville played outstanding. I think Bud (Childers) and his team did a great job tonight. They put in the three and clogged up the middle on us.

"I thought Danielle (Ryan) and Tia (Paschal) stepped in and did a great job when Chantelle and Chris got in foul trouble. They were leaving Danielle open in the seam when they were getting in the passing lane. She's a tremendous scorer.

"We got stronger down the stretch. From the eight minute mark on in' we played as good on defense as we can play. We also shot free throws well down the stretch."

Bud Childers, Louisville

The obvious difference in this games was the reboudning. We got killed on the offensive boards. Reboudning is something we didn't think was a major concern for us and it turned out to be the difference in the game. Kelly Rose didn't have time to play. She was in and out so quick. Her not being in there hurt us tremendously. In light of foul trouble, I though we played well. The last six-seven minutes of the game they crunched us on the offensive boards. We played a little scared maybe our youth showed a little.
