Quoting Auburn Head Coach Joe Ciampi

"Defensively, we did so many things well. We held their second top scorer scoreless. Defensively, we took the task at hand and did a good job. They are learning to play as a team. When you hold Florida State to 21 first-half points, you are playing some great defense. Our players work hard on getting better as a team."

Quoting Auburn Forward Tia Miller

"We were psyched about this game. We felt like we were the better team. We had some good shooting outside. My job was taking it to the basket. The high screen was working very well. We have grown as a team and that showed today. We are going to have a chance to go far."

Quoting Florida State Head Coach Sue Semrau

"Auburn defeated us in every aspect of the game, especially rebounding. Their intensity in the game was a big difference. Tia Miller was also a big difference for Auburn on the boards. They are a great basketball team."
