Overview: 100% improvement over Furman Invitational - Most everyone competed for (3) Miles - Good preparation before meet. We are still very strong on hills. We past most of our competition on the Hills. Remember Alabama is even tougher- We will have (3) more hill practices prior to regionals.

Our 1-5 time is far to great. We will talk during the next two weeks of practices. Our team goal will be to have runners 1-5 to be within (1) minute of each other.

This team has a great deal of pride.

NOW WE CAN LOOK FORWARD TO THE MEET WE HAVE TRAINED FOR ALL SEASON.
REGION III CHAMPIONSHIPS.
