Total team time for TOP 5 = 1:31:15.6

Time Spread 1-5 = 1:15.0

Time Spread 1-7 = 1:23.9

Overview: Premeet preparation was again excellent. Our time spread for runners 1-5 is too large at this point and is something we will continue to work on as the season progresses. We looked good on the hills in that our opponents didn't pass us on any hills and we passed many of them. We are not sure that the 1st mile mark was correct so don't be greatly concerned about the 1st mile splits. This team has a great deal of competitive pride which is our most important asset.
