*This completes the golf season for FSU. Most schools will participate in the Nationals being held in Tucson, Arizona--hosted by the University of Arizona. The Florida schools should rank very high. Miami-Dade Community College-North, coached by Mary Dagraedt, ranked No. 1 in the nation is favored to win. University of Florida, Rollins College, and the University of Miami should make strong showings. Dade won everything in the state except the Lady Gator.

*Laura Rusk, freshman, had a very good season. She, along with the other first scholarship candidate in women's golf, Erin Wright from Wichita, Kansas, should form a solid nucleus for next year.
