# Lady Seminoles rally to win national crown

Democrat staff and wire reports

ATHENS, Ga. — Four Florida State golfers birdied the 17th hole Saturday as the Lady Seminoles came from behind to win the Association of Intercollegiate Athletics for Women national championship.

Barbara Bunkowsky shot an even-par 74 and Lisa Young shot a 75 to help FSU rally from a two-shot deficit after nine holes to beat Georgia by three strokes. The Lady Seminoles finished with a four-day score of 1,220, Georgia had 1,223 and SMU finished at 1,226.

Tulsa was fourth at 1,228 and UCLA fifth at 1,232.

Georgia's Terri Moody and Miami's Patti Rizzo tied for the individual title at 296 before Moody won a three-hole playoff. Young took third with a 297 over the 6,044-yard University of Georgia course.

Bunkowsky, who birdied the last five holes, closed at 306. Jane Geddes shot a 79 to finish at 311, Michelle Guilbault scored an 80-315 and Marla Anderson had an 83-320.

Florida State was third after the

first round with a 307 total. The Lady Seminoles remained in third the second day and the field was trimmed from 25 to 15 teams. FSU gained the lead Friday with a tournament-low score of 298.

"We went out today and everyone felt confident," third-year coach Verlyn Giles said. "We were two down to Georgia at the turn, but the girls figured they were good enough to win."

Florida State had won four of 10 tournaments this season and was ranked fourth in the nation, but had never finished higher than 12th in the eight years of the AIAW championship.

"We won three major tournaments this year," Giles said. "That gave the girls experience. They knew how to win, then put themselves in position to win this one and did."

Young and Bunkowsky were named to the 10-woman All-America team and were joined by three others from the southeast region.

Trailing Young in the individual race were Marci Bozarth of Texas Christian (74-298) and Juli Inkster of San Jose State (74-299).

This is the Association for Intercollegiate Athletics for Women Golf Trophy which Florida State won in 1981.

The trophy resided at the school that won the championship.

The NCAA began governing women's athletics in 1983 – Tulsa won the trophy in 1982 and it resides there permanently.
