Miami wins Ryder/Florida Golf Championship

MIAMI LAKES, FL -- University of Miami sophomore Julie Brand shot a final-round 71 and Miami senior Mary Dunne shot a 72 as the Hurricanes came from five strokes back on the final day to win the 1993 Ryder/Florida Women's Golf Championships at Don Shula's on Sunday.

Miami (903), trailed the University of Florida by five strokes entering the last day of the three round tournament. But though Gator freshman Dina Taylor (42nd in the nation) shot a final round 71 to take the individual championship with a two-under-par 214, the Gators finished eight strokes off the pace with a 911. Florida State came in third at 917.

After Taylor, Florida International's Moira Dunn (eighth in the nation) also shot a 71 to finish with a par 216, two shots back for second place in the tournament. Brand (seventh in the nation) finished third at 219.

Miami senior Kim Augusta helped clinch the Hurricanes' first state championship since 1978 and their eighth state championship in 18 years, shooting a two-under 34 on the back nine holes to finish at 74.
