FLORIDA STATE SOCCER LOOKS TO REBOUND AGAINST JACKSONVILLE

September 12, 1995

TALLAHASSEE, FL-- The Florida State soccer team will face Jacksonville University tomorrow at 4:00 p.m. at the FSU intramural fields across from Tully Gymnasium, where admission is free. It will be the opening game for the Dolphins' first-year program. The Seminoles, 1-2 overall and 0-1 in the ACC, are looking to build momentum after dropping their inaugural ACC match to 10th-ranked Maryland, 5-1.

Florida State coach Heather Kerby is anticipating a tough match.

"Jacksonville will be pumped up," Kerby said. "We will have to play a good game to counter their emotion."

Last weekend the young Seminoles learned what ACC competition is all about.

"Hopefully we can take what we learned against Maryland and use it to improve in this game and throughout the season," Kerby said.

The match will be the Seminoles third straight at home as their first two matches were played before capacity crowds.

The Noles will head to Baton Rouge, La., this weekend to face Memphis and Louisiana State in tournament action.

FLORIDA STATE SOCCER RECORDS 11-0 VICTORY

September 13, 1995

TALLAHASSEE, FL-- The Florida State University women's soccer team evened its record to 2-2 with an 11-0 win over the Jacksonville Dolphins this afternoon at the FSU intramural fields. Jacksonville, a first year program, is now 0-1 on the young season.

Freshman Alexandra Osorio and senior Kelly McGrath led the way for the Seminoles, each tallying three goals in the match. Freshman Kelly Huff got the scoring started with a goal just two minutes into the match. The 'Noles led 6-0 after the first half of play. All 22 FSU players saw action as the Seminoles outshot the Dolphins 36-3 for the afternoon.

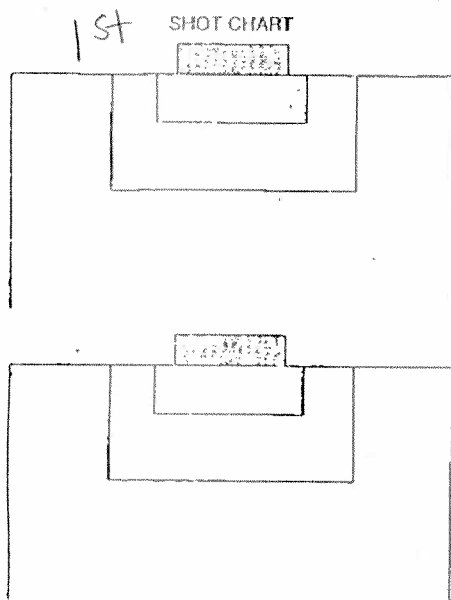

"After the Maryland match, we were still real happy with our defense," FSU coach Heather Kerby said. "Today gave us the opportunity to attack. The win is a very positive one for us going into Louisiana to play Memphis and LSU. This weekend could be one of the most benchmarking ones of our program. Both schools are first-year programs and although we play them back to back, I feel real good about our chances going in."

Florida State will play in Baton Rouge this weekend and return home on Sept. 24 to face the nationally-ranked Duke Blue Devils.
