### **FLORIDA STATE SOCCER TOPS OFF SOUTH ALABAMA (The Seminoles improve to 6-5 on the season)**

TALLAHASSEE, FL -- Five Seminoles scored for Florida State this afternoon as the Seminole soccer team defeated South Alabama 5-1 at the Seminole Soccer Complex. FSU is 6-5 on the season as South Alabama drops to 7-4.

"It was kind of frustrating; the 5-1 score dictates that we played well but we were shaky in some place and good in others," Head Coach Patrick Baker said. "We were on and off in everything from defense to possessions. I think it was a good gut check for us to not play well and still find a way to win."

Sophomore Maren Vik Edvardsen started the scoring for the Seminoles with a header off an assist from April Murphy in the 16th minute. Junior Sarah Deacon then took a cross from Murphy in the 29th minute to give the Seminoles a 2-0 lead at the half. Freshman Katie Talley came out in the first two minutes of the second half and scored off a corner kick from senior Angela Bonaffino for a 3-0 lead. Bonaffino then sent a corner kick to sophomore Marte Vik Edvardsen for the fourth goal of the game before senior Leslie Del Rio found an open goal for the 5-0 lead. South Alabama's Linda Larsson found the back of the goal after a defensive scramble in the 85th minute but the Seminoles held on to win the game 5-1.

"I was very pleased that five players scored today," Baker said. "It gives more confidence and shows that more than just one or two people can score."

Florida State head to Jacksonville on Wednesday, October 6th for a 1:00pm match-up with the Dolphins.

\*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
