FLORIDA STATE SOCCER SHUTS OUT WRIGHT STATE (The Seminoles extend win streak to four)

TALLAHASSEE, FL -- The Florida State soccer team extended their home win streak to five with a 3-0 win over the Wright State Raiders this afternoon. The Seminoles, who are on a four game win streak, improve to 8-5 as the Raiders drop to 6-8.

"I'm excited for the team, getting win number eight," Head Coach Patrick Baker said. "We've topped last year's seven wins and still have six games left."

Junior Ashley Halter started the scoring for the Seminoles when she headed in an indirect kick from senior Angela Bonaffino at the 17 minute mark. Junior April Murphy added a goal off a cross from Marte Vik Edvardsen at 28:58 to give the Seminoles a 2-0 lead at halftime. Murphy and Vik Edvardsen traded roles in the second half with Murphy serving and Vik Edvardsen finding the back of the net at the 54:00 mark. The Seminole defense was able to hold off the Raiders as FSU recorded its fifth shutout of the season. Goalkeepers Sarah Crawford and Jamie Gurtov each had a save in the combined shutout.

"I wish we had played a little better today but I was very pleased with the shutout," Baker said. "We defended well and scored when needed. After the South Alabama and Jacksonville games, I felt like we needed this shutout. We plan on working extremely hard this week, knowing we have two tough games this weekend with Virginia and Texas A&M."

Florida State has surpassed last year's wins with today's victory and has six more games to play this season. The Seminole take to the road this week as they head to Charlottesville, Va., to take on the UVA Cavaliers on Friday, October 15 at 7pm. FSU will then head to College Station, Texas on Sunday, October 17 to take on the Texas A&M Aggies at 7pm.

*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
