### **FLORIDA STATE SOCCER DROPS SEASON FINALE TO MARYLAND (The Seminoles end the regular season at 9-9-1)**

TALLAHASSEE, Fla. -- The Florida State soccer team dropped its season finale to the Maryland Terrapins 1-0 this afternoon at the Seminole Soccer Complex. FSU finishes the regular season at 9-9-1 (0-6-1 in the ACC) as the Terrapins improve to 9-8-1 (4-2-1 in the ACC).

"We had a great performance outside of the first 15 minutes," Head Coach Patrick Baker said. "We played great in the last 30 minutes of the first half and the entire second half. We created some great chances but the final piece just wasn't there. You can dictate all the shots and the game but if you don't score, you aren't going to win. It's as simple as that."

Maryland's Jackie Mynarski scored the lone goal of the game at the 8:57 mark off an assist from Julie Nelson. The Seminoles outshot the Terrapins 7-0 in the second half but were unable to score. Senior Angela Bonaffino led the team with four shots. This game marked the final regular season game for four seniors as Bonaffino, Leslie Del Rio, Gina Iacovella and Jamie Gurtov took the field for the last time at the Seminole Soccer Complex.

"I'm very proud of our seniors," Baker said. "They have done a good job this season leading this team. I'm pleased with the overall performance of our team this season."

Florida State heads to Chapel Hill, N.C. this week for the Atlantic Coast Conference Tournament. The Seminoles will take on the North Carolina Tar Heels at 6:00pm on Thursday, November 4th.

#### **SCORING**

	1st	2nd	Final
FSU	0	0	0
Maryland	1	0	1

#### **GOALS**

Maryland Jackie Mynarski (Nelson), 8:57

\*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
