TALLAHASSEE, Fla. - The 14th-ranked Florida State soccer team continued their historic season Wednesday night as they defeated Jacksonville University 4-1 in the first round of the 2000 NCAA Soccer Championships. FSU is now 13-7-2 on the season and they set the season record for wins with Wednesday's victory. FSU will travel to Gainesville Sunday to face the 11th-ranked Florida Gators for the second time this season.

The Seminoles recorded their first-ever NCAA Tournament win Wednesday when they beat Jacksonville 4-1.

"I am very excited that we won tonight," said head coach [Patrick Baker](#). "At this time of the year it is all about survival and I think we survived tonight. Jacksonville had some great chances to score tonight, as did we, ours just happened to find the back of the net."

The Seminoles came out strong in the first five minutes of the game and they created some chances but they were unable to finish them. After that, the game settled down with both teams playing in the middle of the field. FSU out-shot JU 12-2 in the first-half but was unable to get on the board.

"We came out hard in the first ten minutes," said [Amber Tollefson](#). "After our good start, we started to get a little bit antsy. Something just wasn't clicking for us and we were missing our shots. We went into halftime and coach Baker calmed us down and we played the way we should of."

Tollefson, a freshman from Boca Raton, got the

Seminoles on the scoreboard with less than five minutes gone in the second half when she took a cross from April Murphy and buried it in the lower left corner of the goal. Tollefson also scored the first goal of the match when the Seminoles defeated the Dolphins 3-0 during their first game in August.

"We felt coming into this match that we could expose the flanks of their defense," said Tollefson. "April gave me a beautiful cross and it was bouncing right there for me. It was just the keeper and me and I was able to pop it in. We needed something to spark us and after that goal we started to pick up our play."

Just over five minutes later, All-ACC first team selection, Emma Breland, took a pass from senior Rachael Watkin and was able to escape a defender and dribbled past Jacksonville keeper, Melissa Cancio, to give the Seminoles a 2-0 lead. The goal, and an assist on the game's first score, gave Breland the Seminole record for points in a season with 30.

"I don't think about individual records," said Breland. "I play to have fun and a win like we got tonight is fun. Individual records are not important because you could play a great game and never score a goal. Our defenders go out and play awesome every game and they never get any credit. I come out and stick a goal and get all the credit. We are winning as a team and that is what is important."

FSU was able to extend their lead to 3-0 when freshman Kristin Boyce took a shot from about 18 yards away on the left side of the box and beat Cancio with a goal in the far right corner of the net. It was the defender's first goal since she scored the game-winner in overtime against North Carolina October 17.

Jacksonville was able to answer the goal just :22 later when Dolphin freshman Erika Chapman took the ball at the top left of the FSU box and turned and fired the shot into the right corner of the net beating Sarah Crawford and ending the Seminole's shut-out bid.

Crawford, a senior from Lilburn, GA, came up with big saves on numerous occasions to keep the Seminoles alive in the NCAA Tournament. She made a save in the 55th-minute when she stopped a shot by JU forward Stine Kloster by batting the ball in the air twice before pulling it down. Crawford also stopped Kloster on a one-on-one break-a-way in the 66th minute. Jacksonville's best opportunity, late in the game, came off of a free kick inside the FSU penalty box that was turned away by defender Meredith Jones.

"You have to give Sarah Crawford some credit for her play tonight" said Baker. "She closed down angles and tipped a great shot and made a fantastic one-handed save. We weren't as clean in the back as I would have liked to been but I give our group credit for settling down after the first half."

The Seminoles were able to close the game out in the 83rd-minute when Breland and Cindy Schofield put together a give-and-go in the box and put FSU up 4-1. Breland's pass beat a diving Cancio and Schofield buried her fifth goal of the season. Breland's assist added to the season points record she broke earlier in the evening.

"I don't think the things that hurt us the first time (we played FSU) hurt us tonight," said Jacksonville head coach Michael Johnson. "They (FSU) executed four good goals. I think we were a lot better tonight and we still lost by three goals."

The Seminoles continue tournament play when they travel to Gainesville for a Sunday showdown with rival Florida (16-7) who had a first round bye. The Seminoles opened their historic 2000 season with a 3-2 win over then No. 6 Florida in a game many of the Seminoles feel set the stage for this record breaking season. The match will be played at Percy Beard Stadium Sunday, November 12 at 2:00 p.m.
