WRITTEN FOR USE AS DESIRED

Tallahassee, Fla. --- Florida State's women's softball team, which had a record of 50-12-2 in 1985, ranked sixth in the nation in pitching according to final season softball statistics compiled by the National Collegiate Athletic Association (NCAA).

The FSU pitching staff was led by freshman Julie Larsen, who became the second Seminole hurler in as many years to lead the nation in strikeouts per game. The Huntington Beach, Ca. native averaged 10.0 strikeouts per game in putting together an 18-1 record on the season.

Last year's strikeout leader, Tina Kyler of Florida State, once again was in the top 10 in that category with an average of 7.9 to rank ninth.

All three Florida State pitchers during the 1985 season ranked in the top 20 in earned run average. Once again Larsen led the pitching corps with a 0.29 ERA, good enough for ninth in the nation. Kyler's 0.48 mark was good for a ranking of 13th while sophomore Shelley Berube ranked 17th with a 0.51 mark. FSU's team ERA of 0.44 meant a top 10 ranking nationally for the second year in a row. Last year, Florida State was fifth in the nation.

Also making the national rankings was Florida State team fielding percentage. The Lady Seminoles committed only 49 errors in almost 1,800 chances to rank second behind Texas A & M in that category.
