Game 13 Florida State University vs. UCLA

POST GAME QUOTES:

UCLA Head Coach Sharron Backus: (General) - "It's hard when youre disrupted by weather. I was anxious to see how they would react."

"We're in the drivers seat. It's a menatal kind of discipline now. I don't think any team will club the ball (in the next the game)."

(On against FSU) - "They weren't overconfident against Florida State. They were nervous about today, but they were relaxed knowing they were already in the finals today."

"They did not surprise me. JoAnn Graf is a master of surprises. People were writing them off early. Once they are challenged those kids don't quick."

Florida State Head Coach JoAnn Graf: (On game) - "The game started out and I thought we had to keep UCLA scoreless to hang with them. Lisa hit it out and I thought that losened their bats up."

(On defense) - "Our defense got us out of some tough jams and we kept them close like we wanted to."

(On team) - "I'm super proud of our young ladies. I'm real proud of the way they played this weekend."

"We didn't hit as well today. You have to credit their pitching and their defense. They got tough pitching. "

"Everybody came together and we played as a team."
