HEAD COACHES QUOTES

UNLV COACH SHAN MCDONALD

On the season -- "I think when you get to the College World Series, that puts the icing on the cake on whether you were truly successful or not. Once you get here, however, you've got to play your best ball and we didn't do that. Give Florida State credit, they did what they had to do to win the ball game. One game doesn't make or break your season. I thought our kids had a good year and hopefully we can come back and do this again next year, but I hope we go farther if we do."

On last night's game -- "Last night's took a little bit out of us because it was such a long and hard-fought contest. I'm not saying we weren't ready to play because you're obviously going to be ready to play at this level, but I don't think we were as sharp. Florida State did a good job of coming back from being down 1-0 and we just couldn't get on base to do any damage. Again, I'm proud of these women and I think it was a good year for us."

FLORIDA STATE COACH JOANNE GRAF

On the game -- "I was real pleased obviously that our kids were able to come back and perform well after such an emotional game with UCLA last night. I think this round is the toughest because the teams are on such a high in the first game. We were able to hang in there and score three runs after they opened up with a run. Last night's game gave us confidence. It gave our kids the confidence to come from a run down early in the game. We've been building momentum since the regional tournament."

On Christy Larsen -- "This is her last year. I think she can go every day if she needs to. It's real hot and humid out there and it takes a lot out of you."
