TALLAHASSEE, FL -- The Florida State softball team swept a doubleheader from cross-town rival Florida A&M Sunday afternoon at Ratterlerette Field by scores of 12-0 and 10-0. The Lady Seminoles, ranked 13th in the country, improved to 4-0 on the season.

FSU received strong pitching performances from Toni Gutierrez and Rebecca Aase. In the opener, Gutierrez pitched a perfect game and struck out eight. Susan Buttery went 5 for 5 with a triple and four runs batted in.

Aase followed Gutierrez's perfect game with a no-hitter of her own, striking out 10 and allowing just one walk. Leslie Barton was the catalyst on offense. The junior leftfielder had two hits, scored two runs, and stole two bases.

Florida State returns to action next Sunday when West Florida comes to Lady Seminole Field for a doubleheader. First pitch is set for 1 p.m.
