POSTGAME COACH'S QUOTES

Game 2 Quotes

California vs. Florida State

Florida State's Head Coach Dr. JoAnne Graf:

"I thought we were tight in the first. I thought we might have trouble with Granger because she throws so hard. I had hoped we would settle down and handle her alright, but they jumped on us early and we were in trouble."

"I think Tony (Gutierrez) threw a great ballgame after the first inning. I think she might have been a little nervous starting out since this was her first World Series game."

"If we play well against UMass, we can get the momentum back in our favor. Right now all we need is a shot of confidence to get us back on track."

California's Head Coach Diane Ninemire:

"I thought we came out strong in the first inning. I told them to score early and let them chase us, which is what we did. That's (score early) our motto this week and I think it'll help us."
