## Game Two Quotes

### Florida State

Head Coach Dr. Joanne Graf -- "We started the game off well, we got some baserunners and had some opportunities to make some things happen but we didn't take advantage of it. You have to take your opportunities when you get them against a team like OSU because they caught fire and jumped on Toni, then it just kind of snowballed on us. We're a little disappointed but we have found out before that we can come back from a loss and we'll certainly have to do that Saturday against Connecticut or we'll be on a plane home. We fielded the ball well that isn't cause for concern, but we just didn't get it done at the plate until it was too late. Melanie kept us off balance so give her credit, she really pitched a good game."

### Oklahoma State

Head Coach Sandy Fischer -- "We're very excited to get the first one behind us. We came out very strong and put together a string of hits that got us going. Melanie, as usual, pitched well, her location was good and she had good run support which helped out tremendously by taking some of the pressure off her."

"We're looking forward to playing UCLA who in my opinion is the best team in the nation right now but I know my girls are up to the challenge and will be ready come game time."

Pitcher Melanie Roche -- "We're very excited about meeting UCLA again and believe me we'll be ready for them. We lost one to them early in the season but we're on a roll right now. It'll be just whoever is on top of their game, but I feel the team is up to it. Fernandez will be up there so we'll need to really concentrate because she's as tough as they come."
