Swim meeting set Monday

All women students interested in intercollegiate competitive swimming are invited to attend the first organizational meeting of the Florida State women's competitive swim team on Monday, Sept. 27 at 5 p.m.

The women's swimming team, which completed its first competitive season last year, won the Southern Intercollegiate Invitational Championship and sent four swimmers to national competition in Arizona.

Under the direction of a new head coach, Deborah Parramore, the prospects of another successful season loom as a large possibility. With several of the top girls on the team returning to this year's squad, Parramore will begin another season Monday evening.

Holding workouts at the indoor pool of Montgomery Gym, the women's swimming team will have its year opening organizational meeting Sept. 27 in 105 Montgomery. All girls interested are invited to attend the gathering and swim with the team at that time.
