* New School Record

TALLAHASSEE (Fla.)—Auburn University used a strong finish by its women's 200-free relay team to propel the Tigers to a close 77-72 win over the Lady Seminoles and complete a sweep over Florida State for the day. The Auburn men's team, behind a ~~triple~~ win by Rich Hughey, defeated FSU, 66-47.

In the women's meet, Auburn's 200-free relay team out-touched the Florida State team by 13 hundredths of a second in the last event of the meet to overcome a 72-70 deficit and pull out a come from behind win.

The Auburn win came despite a triple win performance from highly touted freshman Sara Linke. During the course of the meet, Linke set two school records. Linke won the 200-free (1:50.95) and the 500-free (4:55.26) in school record times and also captured the 100-free (52.44).

FSU also recorded wins in the 1000-free by Kelly Hillencamp, 100-IM by Lenore Gribble, Jane Triau in the 200-IM and by divers Camile Cox in the three meter and Patsy O'Toole in the one meter. FSU is now 5-2.

On the men's side, a school record performance by Justus Breese in the 200-fly (1:51.34), was not enough for the FSU men, who also dropped to 5-2. Sam Seiple turned in a fine meet for the Seminoles, recording two wins. Seiple took the 50-free (21.38) and came back to swim a winning leg on the 400-free relay team. Dan Akre (200-breast) and Chris McGregor (3-meter dive) were the other Seminole winners. Both the men's and women's teams return to action on Dec. 3, traveling to Toronto, Canada for the Canadian Cup Invitational.
