WOMEN'S RESULTS

Patti Henderson, Head Coach

April 28, 1988

Dear Coach:

I am very excited to take this opportunity to nominate Freshman Buffy Baker for a position in the NCAA Individual Championships for 1988. Buffy came to Florida State with high rankings of #8 in the south and #93 nationally. She has undoubtedly exceeded these rankings during her 1987-88 season. During the course of her year at Florida State University, she has proven herself to be a consistent winner while progressing from the #3 singles position to the #1 position with an overall record of 28-7.

During the year she has had wins over Denise Dayan (University of Florida), Paulette Roux (South Carolina), and Cindy Chafin (Flagler). In our recent Metro Championships she was named to the All-Metro team. She has been consistently ranked on the ITCA Volvo Poll and holds a current ranking of #38.

I submit her results to you in the hope that she will be highly considered for a position to the NCAA Championships in May of 1988.

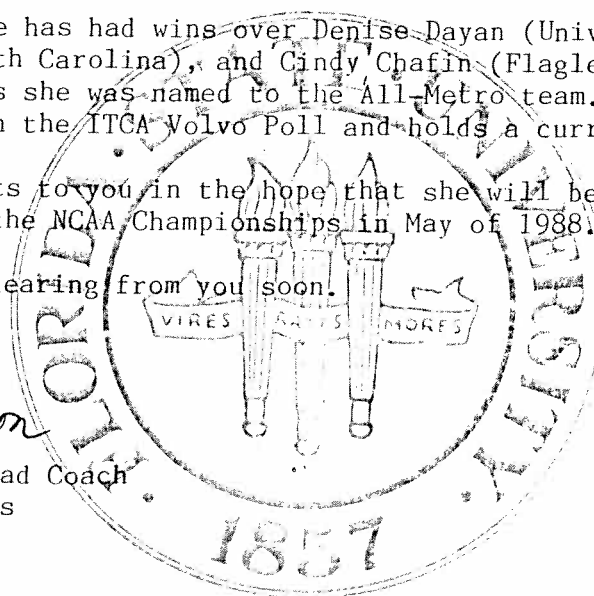

I look forward to hearing from you soon.

Respectfully yours,

Patti Henderson
