## Women track team is stunned in Gainesville

Team depth proved to be the difference as a surprisingly strong University of Florida team defeated Florida State 69-56 Saturday at a women's dual track meet in Gainesville.

All of the Seminoles points were scored by seven girls, while the Gator scoring was spread out among a whole list of people. The Tribe failed to score in three events, two of them because it didn't have a runner eligible to compete in the race.

Four Seminoles were impressive, however, especially senior Sharon Burgess who won the mile in a new school record time of 5:10.6. Burgess also took the 880.

Peggy Reed qualified for national competition as she won the discus with her personal best of 110-6. Reed also did well in the

shot put as she won that event with a 36-2 effort.

The third outstanding FSU performer was Susan Ray who threw the javelin 122-7 to win the event and qualify nationally.

Other Tribe girls scoring in the meet included Joyce Dickinson, winner of the long jump at 16-3 and taking second in the 200 meter hurdles; Linda Crutchfield who finished second in the shot put; and Jeanette Brown, a second place finisher in the 440.

Judy McClung also placed for FSU, getting second in the two-mile and third in the mile.

The FSU girls must now bounce back and prepare for the Eastern Collegiate Championships in Richmond, Ky. The Seminoles are defending champions in the event that features 21 colleges.
